Helping to build “Resilient Kids, Healthy Families, and Strong Communities”

TO: Dubuque City Council

The Dubuque County Safe Youth Coalition has partnered with the Dubuque Police Department to reduce the availability of alcohol to minors at community events. Recently three portable Age Verification I.D. Scanners were delivered to the Dubuque Police Department as part of a Community I.D. Scanner Loan Program being implemented in Dubuque County with Law Enforcement Agencies.

What is the Community I.D. Scanner Loan Program?

The Community I.D. Scanner Loan Program provides a unique opportunity to bring together law enforcement, alcohol license holders, event planners and community leaders to address the problem of alcohol availability to minors in your community. Law Enforcement officers believe that age verification I.D. scanners are an effective tool to deter youth access and reduce availability while at the same time provides an opportunity to strengthen community relations.

As Community Leaders, you play a key role as the Dubuque City Council, in communicating information to the liquor licensee. Your support would be greatly appreciated in providing this I.D. Scanner information to the Liquor License Holder when a liquor license is renewed, new applications are approved, or communication is sent to current license holders.

ID-E-03 Portable Age Verification ID Scanner

Functions:

- Instantly scan magnetic stripe, 1D and 2D barcodes
- Displays Name, Age, Date of Birth, Address, Expiration Date.
- Stores 4,000 records for compliance purposes
- Extremely bright display operates in all light conditions
- Designed for portable or countertop use

This ID Scanner is available for use by any Alcohol License Holder (No Charge!) for their business, event, or festival.

To reserve an ID scanner, Contact the Dubuque Police Department (563) 589-7862.

Additional Resources for Alcohol License Holders.....

- ✓ Alcohol Management for Fairs & Festivals
- ✓ Responsible Beverage Server Training Options

Thank you for providing this information to Liquor License Holders in your community and being part of a county-wide effort to STOP Underage Drinking.

Best Regards,

Dubuque County Safe Youth Coalition

Community Coming Together to Make a Difference

Law enforcement, alcohol license holders, event planners, community leaders, area substance abuse prevention coalitions and agencies are working together to *reduce availability of alcohol to minors* at Community Events.

**Available for use at No Charge to all
Dubuque County Liquor License Holders**

- Displays Name, Age, Date of Birth, Address, Expiration Date.
- Stores 4,000 records for compliance purposes
- Extremely bright display operates in all light conditions
- Designed for portable or countertop use

Did you know?

With the proliferation of fake IDs and underage drinking, liquor license holders can no longer rely on visual verification. While most everyone takes precaution, it only takes one slip, one false ID, and you can be facing heavy penalties.

The Dubuque County Safe Youth Coalition has partnered with Law Enforcement to provide ID Scanners for Liquor License Holder use in Dubuque County.
