**a. Credit Repair Program**

A special voting was held via email to approve the Credit Repair Program guidelines for the activity that was approved through the IEDA CDBG-CV allocation in December 2020. Commissioners were emailed a copy of the Credit Repair Program guideline for review and were given the opportunity to make suggestions and changes to the program. The Credit Repair Program provides a financial incentive up to \$5,000 to individuals to help meet financial milestones for homeownership. To be able to participate in the Credit Repair Program, participants must be participating in First Time Homebuyer Loan Program, Homeowner Rehab Program, or Family Self- Sufficiency Program with the City of Dubuque.

Commissioners Fox, Boles, Hammel, Hinke, Jeter, Kehoe, Mozena, Williams, and Woodyard all voted in favor of approving the Credit Repair Program guidelines.
