## BRANCHING OUT DUBUQUE

### Tree Canopy Initiative

The City, in partnership with Dubuque Trees Forever, was awarded a U.S. Forest Service grant for \$1.5 million to be used to plant thousands of trees over the next five years. Properties located within specific areas of the city are eligible to receive one or more free trees.

Residents who have interest in the initiative, including the opportunity to request a free tree, are invited to fill out an interest form at [www.cityofdubuque.org/branchingout](http://www.cityofdubuque.org/branchingout) or call 563-690-6038. Also available online is an interactive map where residents can enter their address to determine if their property is located in one of the four tree planting eligibility areas.

The Branching Out Dubuque initiative will have several volunteer opportunities available including helping with tree transportation and tree planting. Those interested in volunteering are also encouraged to fill out the online interest form!

# Art on the River

Culture + Conversation

## SAVE THE DATE

Opening Reception  
Planned for Aug. 9

Eleven new sculptures have been selected for the City's 18th annual temporary public art exhibit, Art on the River. The 2024–2025 theme, "Culture & Conversation," is meant to engage the community in conversations with each other and the artists behind the works; to encourage, challenge, and educate; help overcome barriers; and foster economic growth and community prosperity.

A call for artists to submit pieces that speak to the theme was answered with 51 applications from 31 artists in 11 states and India.

An opening reception will be held on Friday, Aug. 9, from 5 - 7 p.m. at the Grand River Center, 500 Bell St. The evening will commence with live music, light hors d'oeuvres, and a cash bar on the patio of the Grand River Center. The reception is free to attend, family-friendly, and open to the public.
