COMMUNITY SURVEY

The Dubuque Fire Department is asking residents to participate in an online survey as the department develops its latest strategic plan. The survey asks respondents to answer a total of ten questions on topics ranging from response time to service importance and effectiveness.

The survey is available through May 31 at cityofdubuque.org/DFDSurvey

Spring & Summer

Hydrant Flushing

The Water Department will conduct fire hydrant flushing throughout the spring and summer months. Flushing is essential for preserving the water system's integrity and maintaining an adequate water supply for Dubuque households and firefighting.

Hydrant flushing may cause temporary inconveniences such as reduced water pressure and water discoloration. Discolored water, although harmless to public health, could potentially stain laundry.

Residents are advised to ensure that all discolored water is flushed out of their home's plumbing and hot water heater before doing laundry.

If you notice discolored water from your fixtures, please flush the water for approximately five minutes or until the water returns to its normal color.

For questions, contact the Water Department at 563-589-4291.

DUBUQUE POLICE & FIRE YOUTH CAMP

The Dubuque Police and Fire Youth Camp is a FREE two-day camp for local middle school and high school youth ages 11-18. - Dubuque Law Enforcement Center, 770 Iowa St.

PLEASE NOTE: Submitting a registration form does not guarantee admittance to the camp. Due to the large number of interested applicants, the participants admitted to this camp will be determined via a lottery system.

City Launches Report2DBQ

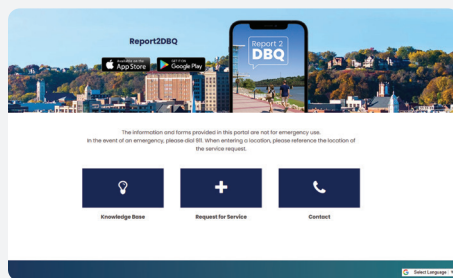

New Citizen Support Center & Mobile App

Report 2 DBQ

The City of Dubuque has launched Report2DBQ, a new Citizen Support Center and mobile app designed to make it easier for residents to report concerns and request non-emergency services.

The app, available now in the App Store and Google Play, allows users to submit concerns such as potholes, garbage complaints, improper vehicle storage, and park maintenance requests. Residents can also upload photos to provide additional details.

The Report2DBQ app replaces the City's previous MyDBQ app. Residents may also submit concerns and request non-emergency services at cityofdubuque.org/Report2DBQ or by choosing "Report A Concern" on the City's website.

Summer Reading

Level up your reading and sign up for the Summer Reading Challenge at Carnegie-Stout Public Library. The concept is simple (and fun): read books to earn prizes! Registration opens June 2. Youth can sign up at the Children's Help Desk or online. Adults can sign up at the Reference Desk or through the BeanStack app.

Go to carnegioustout.org for details.

Hey,
Neighbors!

Join or Start A Neighborhood Association

Joining or starting a neighborhood association and getting to know your neighbors through meetings, projects, and events offers many benefits:

- You make friends. Seeing familiar faces on your walk and chatting with a neighbor over the fence creates happiness and long-lasting friendships.
- You have someone who has your back. Your neighbor may be able to lend you a tool for your yardwork, and you may be able to bring them some vegetables harvested from your garden.
- You get access to information and resources. You can find out what's happening on your street and in your city.
- Many hands make light work when planning a block party or cleaning up trash in your neighborhood. Neighbors can have a shared interest in an idea you have to make the neighborhood even better.

Interested in joining or starting an association? Visit cityofdubuque.org/neighborhoodsupport to view a map of current/active neighborhood associations or fill out an interest form and view the neighborhood association toolkit!
