## A Message from the CITY MANAGER

Michael C. Van Milligen

As we enter the new year, it's a time to look forward to new opportunities and to build on the progress and successes of the last year.

Debi Durham, director of the Iowa Economic Development Authority and Iowa Finance Authority, visited Dubuque in November to join community leaders to break ground on the Dubuque Museum of Art's new expansion. She described it as a transformative project "poised to break the barriers of conventional museums, combining art, education and recreation into a seamless campus."

"This city never stops dreaming big...from the new medical school to the Field of Dreams and Schmitt Island, Dubuque is riding a wave of imagination and investment that's enhancing quality of life and welcoming new faces to our state," she said. "It's exciting to see a community that celebrates creativity and sparks inspiration for generations to come!"

I could not agree more and there are many other transformative projects under way and planned! Envision 2030, the months-long, community-wide visioning process led by the Community Foundation of Greater Dubuque and the Dubuque Area Chamber of Commerce, recently announced the top 10 ideas for Dubuque's future:

- Book and Build: Expanded Library Services
- Water-Powered Fun: Community Aquatic Center
- Putting Down Roots: Community-Centered Housing
- Great Minds: Collaborative Brain Health Resources
- Captivating Shorelines: Mississippi Riverfront Reimagined
- Ageless Support: Center for Senior Well-Being
- Industry to Innovation: Dubuque South Port Revitalization
- Where Curiosity Sprouts: Children's Museum
- Heart of Play: All-Ages Sports Hub
- Grow, Cultivate, Eat: Access to Healthy Food

These things all add to Dubuque's momentum as does the fact that the City just learned that all five of the private projects submitted from Dubuque for the Iowa Economic Development Authority Redevelopment Tax Credit Program received funding:

- Dubuque 5th and Main Project: \$1,500,000
- Farley and Loetscher Project (Historic Millwork District): \$1,250,000
- IOCO Building Project (South Port of Dubuque): \$1,000,000
- Iowa Street Lofts (1248 Iowa St.): \$300,000
- Wilson House Apartments (1243 Locust St.): \$80,000

Dubuque projects garnered \$4.13 of the \$19.12 million in tax credits available state-wide and constitute five of the 25 funded projects from the 51 applications submitted.

The momentum is literally BUILDING. The City of Dubuque's building permit free revenue increased 72% from FY2024 to FY2025. Plus, Greater Dubuque Development Corporation recently reported there has been over \$1 BILLION of development in Dubuque County over the last three years!

Way to go Dubuque, I cannot wait to see what the future holds!
