2) Library Use – Rossman reported a consistent checkout usage compared to September of 2020, with a 21% increase of visitors.

   September 1, 2021 marked the first day of providing curbside service during all Library open service hours. Use in September rose to 125 patrons using the service for the month, nearly doubling August’s numbers.

3) Library Marketing Report – Rossman reported that during the month of September, Library Card Signup Month and the new Curbside Service hours were promoted throughout the month. Library card registrations were up 25% over the previous September and curbside use was up 92%.

4) Project/Events/Programs Update – Rossman reported the Art @ your library® October/November Show opened October 1 featuring artists Gail Chavenelle, Elizabeth Eagle, Nick Majesky, and Mike Reiss.

   The Art @ your library® open house on Saturday, September 25 featuring Plein Air Painters of Dubuque with a live exhibition by the artists, and take and make craft kits was well attended with four pieces sold during the open house. The Library received 20% of all art sales that help support the continuation of this successful program connecting the history of arts to the Library.

   September saw a significant increase in Teen programming thanks to the addition of our Teen Librarian, Haidee Cardoso.

   The Dubuque Community School Board (DCSD) approved the Library card partnership with C-SPL and the Dubuque County Library District (DCLD). The agreement aims to provide free and easy access for students to the Library with the use of their student identification card. Meetings between DCSD, DCLD, and C-SPL are being set to work on getting the program to work. The Board requested, if possible, that circulation use of material types be tracked and reported.

   Plans are in the works for the Trustees Holiday Gathering, which we are planning for the afternoon of December 16 before that month’s Trustees
meeting. Rossman reported that review of the COVID environment in advance of this date with the Board would determine if the gathering would be an open house type of setting this year or the need to cancel this event.

5) Grants Update – Rossman reported that pedestals for the Arboretum Story Walk partnership have arrived and are being stored at the Arboretum until they are installed in the spring of 2022.

6) Board Training – Rossman shared information for review from his Leadership Dubuque presentation that recently took place in the library.
