## **No Refuse or Recycling Collection in Dubuque Today**

DUBUQUE, Iowa -- There will be no curbside solid waste or recycling collection in Dubuque today and the Dubuque Metropolitan Landfill is closed today.

Residents on the Wednesday collection route who set materials out for collection today should pull the materials back away from the snowbank or street. The Wednesday solid waste and recycling collection routes will be collected on Saturday, Feb. 5, 2011. Residents are asked to set out their materials by 6 a.m. on Saturday on the street side of their snowbanks.

Residents on the Thursday collection routes are asked to not put their materials out until their street has been plowed. Customers with Thursday collection in alleys will need to set out at the curb since most alleys are expected to be inaccessible.
