April's 'Big View' Meeting Focuses on Building Mental Resources

DUBUQUE, Iowa –The public is invited to attend the Circles™ Initiative Big View meeting, “How Can we Stimulate Our Mental Capacity?” from 5:30-7:00 p.m. on Wednesday, April 27, at Prescott Elementary School, 1151 White Street. The meeting will begin after a free meal at 5 p.m. in the Prescott School cafeteria.

Seeking out new ways to learn and grow intellectually can be rewarding and fun. This month's meeting will focus on the different forms of building mental resources and will feature local Mensa members Ric Jones and Dean Beresford.

A college fair will also be offered beginning at 7 p.m. with representatives from local institutions.

The meeting is offered as part of the monthly Big View series of meetings of the City of Dubuque's Circles™ initiative, a campaign to transform communities by building relationships that inspire and equip people to end poverty. Each month, a Big View meeting is held on a topic that invites the community to provide input and support to the systemic issues related to poverty.

Circles™ is co-sponsored by the City of Dubuque's Housing Department's Family Self-Sufficiency Program, DubuqueWorks, and Project HOPE, under a contract with the Community Foundation of Greater Dubuque.
