August's 'Big View' Meeting Features City Manager

DUBUQUE, Iowa –The public is invited to attend the Circles® Initiative Big View meeting from 6:30 p.m.-8:00 p.m. on Tuesday, August 23, at Prescott Elementary School, 1151 White Street. The meeting will begin after a free meal at 5:45 p.m. in the Prescott School cafeteria.

In some instances hard work and effort doesn't always bring about immediate results. How can a person remain motivated to succeed? Is persistence the key to accomplishing dreams? City Manager Mike Van Milligen will speak about how motivation and persistence has contributed to the success of the City of Dubuque.

The meeting is offered as part of the monthly Big View series of meetings of the City of Dubuque's Circles® initiative, a campaign to transform communities by building relationships that inspire and equip people to end poverty. Each month, a Big View meeting is held on a topic that invites the community to provide input and support to the systemic issues related to poverty.

Circles® is co-sponsored by the City of Dubuque's Housing Department, DubuqueWorks, and Project HOPE, under a contract with the Community Foundation of Greater Dubuque.
