# NEWS RELEASE

***Sept. 7, 2011 – For Immediate Release***

## **Downtown Dubuque Detour No Longer in Effect**

DUBUQUE, Iowa – Highways 151/61 are now completely open through downtown Dubuque and the traffic detour caused by a partial train derailment is no longer in effect.

The derailed ethanol tank cars have all been placed back on the tracks. Several of these cars will remain on the tracks just north of the accident site. Canadian National Railway's crews will continue repairing the damaged tracks so these cars can be moved, which is anticipated to be some time tomorrow.

Ice Harbor Road will remain closed until it can be cleaned and returned to serviceable condition, which should be no later than tomorrow morning.
