Meeting called to order Tom Giese at 16:04 P.M.

Tom Giese swore in Ron Billmeyer. A motion was made to nominate Gary Hillard Chairman, Gary declined. Tom Giese stated he would continue as Chairman. 2012 International Mechanical Code books were handed out to all present. The board members discussed reviewing code changes and making recommendations (amendments) to the council. Corey Valaskey asked if the Residential Energy Codes section 403.2.2.1 requirement to not use building cavities as ducts would mean that in commercial occupancies that 'wild' returns would not be allowed. The secretary will get the answer from ICC. The Board members will review IMC and meet again next April 11th to discuss possible recommendations. On April 11th the secretary will hand out copies of the Mechanical requirements of the 2012 International Energy Conservation Code and International Residential Code. Mike Sievers, Residential Inspector will give a presentation on the 2012 Residential requirements at this time. The board members have stated that they would like to continue the quarterly meeting schedule.

Dave Grothe made a motion to adjourn, Corey Valaskey seconded. 6 Yea 0 Nay.
