NEWS RELEASE

May 31, 2013 – For Immediate Release

Volunteers and Job Seekers Sought for ‘Road to Success’ Career Readiness Fair

DUBUQUE, Iowa -- The City of Dubuque’s Family Self-Sufficiency Program and Circles Initiative will sponsor the 12th annual “Road to Success” career readiness fair on Tuesday, June 25, from 5:30 – 8:30 p.m. at Prescott School, 1151 White St.

The “Road to Success” career readiness fair is designed to support job seekers to develop the skills they need to choose a career path, prepare for a successful interview, create a resume with cover letter, and network with local human resource and business professionals. Volunteers are needed to make this event a success. Volunteers assist by facilitating a workshop, networking, conducting mock interviews, and helping with set up and tear down for the event. To volunteer, contact Erica Haugen at 563-690-6101 by Wednesday, June 12.

Road to Success will give participants the opportunity to start a resume, critique a current resume, learn how to search for a job that meets their needs, participate in mock interviews, and receive free interview-appropriate clothing. This free workshop is open to Family Self-Sufficiency Program participants, Getting Ahead in a Just-Gettin’-By World graduates, and community members seeking job-readiness skills. Refreshments and light hors d’oeuvres will be served. Childcare is available on site but pre-registration is required. To participate as a job seeker, contact Erica Haugen at 563-690-6101 by Friday, June 21.

Road to Success is sponsored by the City of Dubuque Housing & Community Development Department, located on the third floor of the Historic Federal Building at 350 W. Sixth St.

For more information, please contact Housing & Family Services at 563-589-4230 or e-mail Erica Haugen, Family Self-Sufficiency Coordinator at ehaugen@cityofdubuque.org.
