Proposed Changes to Administrative Policy-Subsidy Standards
Janet Walker (Assisted Housing Supervisor) explained the housing assistance payments shortfall in funding and noted the proposed changes are recommended by HUD in an effort to prevent termination of subsidy for current families and offer an opportunity to serve more families in the future. The proposed changes to the subsidy standards pertaining to minimum/maximum number of bedrooms/persons and subsidy amount were discussed. Vice Chairperson Schwendinger voiced her concerns with the shortfall funding falling onto the backs of participants. Janet Walker explained how we receive our HUD budget annually. We have an agreement with HUD to stop pulling from the waiting list at this time and in return they will grant us funds to carry us through this calendar year. There will be a minimal effect on the participants.
Alvin Nash (Housing Director) offered a copy of HUD’s letter of finding of noncompliance. He briefly explained, gave his thoughts on the findings, and mentioned that we were not issued a fine. Chairperson Holz suggested waiting on making any changes to the Administrative Plan right now and requested a standard administrative plan from HUD. Janet Walker stated that we do not have a standard plan from HUD to distribute but, we recently purchased a model plan and are currently in the process of incorporating it into our Administrative Plan. As part of our new “Action Plan”, Alvin Nash mentioned that employees and Boards and Commissions members need to attend a 3-hour Fair Housing Class every year for 5 years.

**Proposed Changes to Administrative Policy-Minimum Rent**
Janet Walker explained the proposed $25 Minimum Rent for participants and the qualifications for taking a hardship for temporary/long-term issues if participants cannot pay the minimum.

**Proposed Changes to Administrative Policy-Reexaminations**
Janet Walker explained the proposed changes to the Annual Reexaminations and the proposed requirement for participants to report all increases in income, with the exception of annual cost of living allowance increases from the Social Security Administration.

**Proposed Changes to Administrative Policy-Asset Verification**
Janet Walker explained the proposed changes to Asset Verification and the option for participants to self-certify all assets under $5,000.

Vice Chairperson Schwendinger motioned to approve the changes to Asset Verifications and Reexaminations and table the Subsidy Standards and Minimum Rents. Commissioner Eudaley seconded. All others present in favor.

**Information Sharing**
**Complaints Received**
Commissioners received a summary of the complaints the Housing Department has received since the last meeting. After some discussion of the current way complaints are recorded and distributed to the commissioners; Alvin Nash suggested we include Cpl. Koch’s crime reports going forward.
