# NEWS RELEASE

*May 15, 2014 – For Immediate Release*

## White Street Resurfacing Project to Start Monday, May 19

DUBUQUE, Iowa –The City of Dubuque will begin the first phase of the White Street resurfacing project between 11<sup>th</sup> and 21<sup>st</sup> streets on Monday, May 19, at 7 a.m.

During phase one, the west lane of White Street will be closed and traffic will be merged to the east lane, and selected cross streets between Central Avenue and White Street will be closed to thru traffic.

As part of this phase, E. 14th Street will be closed between Central Avenue and White Street. Eastbound traffic will be detoured to E. 13th Street and westbound traffic will be detoured to E. 15th Street. This closure of 14<sup>th</sup> Street is anticipated to last approximately three weeks.

Motorists are encouraged to use caution in the area of temporary traffic control and to follow any posted detours. Traffic delays are expected. Further notifications regarding the status of this project will be announced when necessary.

For more information or questions on this project, please contact the City of Dubuque Engineering Department at 563-589-4270. A street detour map is available at [www.cityofdubuque.org/detours](http://www.cityofdubuque.org/detours).
