NEWS RELEASE

Nov. 13, 2014 -- For Immediate Release

Public Input Meeting Scheduled for Next City Budget

DUBUQUE, Iowa – Dubuque City Manager Michael Van Milligen will hold a city budget public input meeting beginning at 5:15 p.m. on Monday, Nov. 24, in the City Council Chambers on the second floor of the Historic Federal Building, 350 W. Sixth St., Dubuque.

The public is invited to attend and provide input on City programs and services for the recommended budget the City Council will consider for the 2016 fiscal year, which begins July 1, 2015.

Following this public input meeting and months of preparation by City departments and divisions, the city manager and budget director will analyze, review, and balance the capital improvement program (CIP) and operating budget requests and prepare the final budget recommendation in January, which will be presented to the City Council in February. A series of six public hearings will be held in February and March before the City Council considers adoption of the budget in early March. Throughout the entire budget cycle, public input is encouraged to ensure the adopted budget is citizen-based.
