Nov. 12, 2014 – FOR IMMEDIATE RELEASE

City Seeks Public Input on City Life Program

DUBUQUE, Iowa –The City of Dubuque is seeking input on the City Life program from any community member living or working within the city limits.

The City Life program, developed in 2013 by the City of Dubuque Human Rights Department, offers residents the opportunity to interact with City staff and other community members, discover the roles of departments and their services, participate in tours of City facilities, and learn about different opportunities for civic engagement with their City government.

Since April 2013, over 60 community members from all walks of life have participated in the City Life program. Now that the fourth round of the program is over, City staff is gathering public input on the program for consideration in future program design and marketing.

Those interested in providing input on this program are invited to attend one of the following public input sessions:

- Thursday, Nov. 20, from 3-5 p.m. in the Majestic Room on the second floor of the Five Flags Center, 405 Main St.
- Saturday, Nov. 22, from 11 a.m.-1 p.m. at the Prescott Elementary Neighborhood Resource Center, 1151 White St.

During the public input sessions, community members will work in small groups and share their ideas and perspectives while enjoying local food and learning more about the current successes of the City Life program.

For more information about the public input sessions or to RSVP to attend, please contact Community Engagement Coordinator Nikola Pavelić at 563-589-4182 or npavelic@cityofdubuque.org, or stop by the Human Rights Department in the City Hall Annex at 1300 Main St. Accommodations may be made for transportation, childcare, and/or language. If you are not able to attend one of the input sessions above, please contact Nikola to schedule a different date and time.
