New Business
1. Request for Funding Salvia House Elevator
   Commissioner Hinke introduced Michelle Mihalakis, Executive Director/Founder of
   Salvia Apartments, to speak about the funding request for Salvia House Elevator.
   Michelle explained that the request is for financial assistance to install an elevator in
   Salvia Apartments located at 2160 Elm Street. There are currently 6 units on the
   first floor and 12 units on the second floor. The only access to the second floor is by
   stairway. Michelle stated that she needs full occupancy to remain financially
sustainable, and to do so, an elevator is necessary as the population is aging and accessibility is becoming a necessity.

Commissioner Blok asked Michelle how the amount of $57,667 to fund the project was determined. Michelle explained that the amount was based on bids received from Nu-Trend Accessibility Systems, Miner Plumbing, and Biechler Electric.

Commissioner Blok motioned to approve the request for funding Salvia House Elevator. Commissioner Maloy seconded. Roll call. All present in favor. Motion passed.

2. **FY2016 CDBG Annual Action Plan Amendment 2 – Set Public Hearing for**

   Erica Haugen requested that the commission set a public hearing on November 18, 2015 for FY2016 Annual Action Plan, Amendment 2, for the CDBG program. Erica explained that Amendment 2 will amend the FY2015 and FY2016 Annual Action Plans by reallocating funds from the Prior FY2015 Annual Plan into the FY2016 Annual plan and reprogramming funds for existing and new projects.

   Erica reported that the funds would be used to fund the elevator for the Salvia House; support the application for the National Disaster Resiliency Competition (NDRC); match for the lead program; and to fund micro-lending to stimulate businesses and economic development for low-and-moderate income persons wishing to start their own businesses.

   Commissioner Caldwell had questions on the micro-lending plan to stimulate businesses and economic development. Commissioner Maloy requested Maurice Jones, Economic Development Director, provide the commission a brief presentation on this topic at the next meeting.

   Commissioner Caldwell motioned to set public hearing for November 18, 2015 for FY2016 Annual Action Plan, Amendment 2, for the CDBG program. Seconded by Commissioner Maloy. Roll call. All present in favor. Motion passed.

3. **FY2017 CDBG Annual Action Planning Process**

   Erica Haugen reported that the City of Dubuque has begun the process for the new FY2017 CDBG Annual Action Plan for the use of CDBG funds with the preparation of the City Budget.

   Staff Haugen explained that we won’t receive the actual entitlement award for FY2017 until the spring. Accordingly, the FY2017 Plan will be based upon estimates from FY2016 award amount and estimated program income expected to be received in FY2017 along with a small contingency in case the amount of the actual entitlement is less than anticipated. Staff Haugen stated that the plan needs to support the 5-year consolidated plan.
Staff Haugen informed the commissioners that at November’s meeting, which due to the Thanksgiving Holiday will be scheduled for Wednesday, November 18, 2015, the commission will review a final version of the FY2017 CDBG Annual Action Plan and set a public hearing for December 2015.
