1) Library Financial Report Fiscal Year 2015 (FY15) – Henricks reported that June 30 marked the end of the fiscal year. The library came in under budget by 0.5% after savings from salaries and conference/travel lines. Revenue for FY15 ended at 102.5% of projection.
2) Library Use Statistics – Henricks reported that business in June ended very strong. Visits were up 28% compared to June 2014; however, the increase was not enough to offset a slower year. Open Access use decreased 14% and Dubuque residents’ use decreased 4%. Digital material continues to grow, reflecting a 24% increase in e-books and e-audio and an increase of 104% in Freegal music.

Henricks updated the Board on her meeting with Selser-Schaefer Architects in regards to the Maker Space placement. The Board discussed the spaces identified for further development, and agreed to further pursue two locations. The first location is on first floor in front of the windows where the reading area and large print is now located. The other location is on second floor where the Internet computers are currently. The architects will present plans and proposed costs to the Board at the September 24, 2015, board meeting.

B. Library Comment Cards Received – The Board reviewed four comment cards received and concurred with the responses.

"Moved to receive and file the informational update from the Library Director including the Library Financial Report FY15, Library Use Statistics, and the Library Comment Cards."

The Board expressed interest in having a board subcommittee meet with a subcommittee of the MFC and city staff to discuss details of the Memorandum of Understanding (MOU), with a set term of six months with the option to renew after that. The Board agreed to table the discussion until the subcommittees could meet.
"Moved to table."

Motion: Connors

B. Equipment Loan – Henricks presented the Board with an Equipment Loan Policy, which would allow patrons to borrow equipment such as e-Readers, projectors, Go-Pro cameras, projectors, and 3-D printers in order to provide an umbrella, which allows for growth and not requiring an update every time equipment is added. The Board suggested including equipment instructions and cost of replacement.

Willis exited the meeting at 5:30 p.m.

The Board agreed to table the discussion until the August board meeting.

"Moved to table."
