A. Library Director’s Report Summary and Update – Henricks provided a written summary on the following topics to the Library Board with additional comments:

1) Library Financial Report Fiscal Year 2016 (FY16) – The Board reviewed the operational revenue and expenditure reports and the Gift Trusts report. Henricks reported that December marks the end of the second quarter of Fiscal Year 2016 with 50% of the year lapsing, and 48% of the budget expended. Revenue collections are at 46% of projections.

Henricks reported that the earlier proposed budget cuts that were previously reviewed by the board have largely been restored in the City Manager’s Budget Recommendation to the City Council. Four out of 12 improvement packages have also been recommended for approval by the City Manager. The Library’s budget hearing before the City Council is scheduled for February 10, 2016 at 6:30 p.m.

Henricks reported on the process for collecting fines and fees from patrons that includes two reminders, followed by an invoice for material and working with a collection agency. As a last resort criminal prosecution is pursued. Henricks and Weiss recently met with the County Attorney and Captain Klein of the Dubuque Police Department to define the conditions under which the County Attorney will prosecute. An agreement was made that the condition for a monetary amount of $200.00 or greater will be met before a police investigation is initiated if proof of check out is not available. The group agreed to review this agreement in the coming months if the number of cases is too many. Allred asked about the process of notifications to patrons when items are overdue. Henricks reported that patrons are provided one pre-notification by email, and two reminders by mail, phone, text, and e-mail to encourage patrons to return materials.

2) Library Use Statistics – Henricks reported that Circulation decreased with 2% of this occurring among registered patrons in Dubuque and 7% among Open Access card holders. Adult print materials realized the greatest decrease in circulation.

Henricks provided an update on the new security gates reporting that, since their installation, the counters on the gates have not been consistently accurate. The manufacturer was aware of the problem and indicated that the defect would be taken care of with
a firmware update scheduled for December. That did not work. Manual independent counts at both entrances suggest the gates are off 18 to 22%. We will change our gate counts by adding 20% on to past reports once we are certain that the product is recording accurately. Library volunteers will continue with manual gate counts until this issue is resolved.

3) Library Ordinance Update – Henricks provided an update and background on the City Ordinance as well as discussions relating to the Library Board of Trustee’s authority to control funds appropriated for library operations. The Board agreed that after the budget hearings take place, a meeting can be called with the City Manager and Budget Director to discuss this in greater detail.

4) Marketing Update – Henricks reported that the marketing campaign is moving forward with McCullough Creative. A tentative schedule for launching the “Check it out at Carnegie Stout” campaign is planned for the last week of February or first week of March. The campaign ideas will be phased in with the focus on venues with the highest visibility to include billboards, enhanced social media, a new vehicle wrap, and Chamber of Commerce eBlasts.

The Board discussed a concern in regard to the Dubuque Museum of Art not recognizing the Library as a partner at an event recently when it was named an affiliate museum of the Smithsonian Institute. The Institute remarked during the event that the Grant Wood paintings (owned by the Library and currently on loan to the Museum) and the recently sold Curtis collection (previously owned by the Library and sold to investors for the Museum) were responsible for the museum’s prominence.

5) Grant Update – Henricks reported on the 11 grant requests she has done to help fund the Maker Space project. Also, a grant request made to Premier Bank in the amount of $1,500 for the Art @ Your Library® program was approved, making them a 2016 Presenting Sponsor for the program.

6) Planning Committee Update – Henricks reported that the Library Board’s Planning Committee met on January 7, 2016 to begin review of various library policies before recommending changes to the Library Board. Library policies are reviewed every three years. The Committee also reviewed and revised the Plan of Service for the Board’s final review.
