NEWS RELEASE

July 21, 2016 – For Immediate Release

Overnight Lane Closures of Julien Dubuque Bridge Scheduled July 25 – Aug. 4

DUBUQUE, Iowa – Beginning Monday, July 25, and ending on Friday, Aug. 4, lane closures are planned for the Julien Dubuque Bridge each night from 7 p.m. to 6 a.m. the following morning. There will be no closures on Friday, July 29; Saturday, July 30; or Sunday, July 31. Flaggers will be utilized for traffic control during this project.

The lane closure will impact approximately 1,000 feet of lane per night. Work will begin on the east side of the bridge and proceed west until completed. The work involves installation of a fiberglass duct/raceway that will carry fiber optic cables on the north side of the bridge and is a joint project of the City of Dubuque and the Wisconsin Independent Network.
