‘Imagine Dubuque’ Economic Prosperity Workshop

DUBUQUE, Iowa – Dubuque residents and stakeholders are invited to participate in the “Imagine Dubuque Economic Prosperity Workshop” on Tuesday, Oct. 25, from 6 – 8 p.m. in the grand ballroom of the Hotel Julien, 200 Main St. The economic prosperity workshop is the first in a series of interactive public workshops focused on gathering and refining input as part of the City of Dubuque’s Comprehensive Planning process, titled “Imagine Dubuque.”

Imagine Dubuque is the next step in creating a more sustainable, resilient, inclusive and equitable legacy for generations to come. Built around the community’s economic prosperity, environmental integrity and social and cultural vibrancy, the Comprehensive Plan serves as a guide for the community’s physical, social and economic development. It is a key tool to developing policy, informing the city budget, and community initiatives. Imagine Dubuque is designed to further the momentum of Sustainable Dubuque to create a viable, livable, and equitable community.

At the economic prosperity workshop, the community will come together to take part in collaborative feedback activities and interactive idea building. Activities of the workshop will be focused on our community’s regional economy, community design, smart energy use, and resource management. Light refreshments will be provided.

To learn about Imagine Dubuque, share ideas, and receive project updates, visit and follow the project website at www.imaginedubuque.com or download the free project app by searching “Imagine Dubuque” in your app store.
