

**CITY OF DUBUQUE, IOWA
CITY COUNCIL PROCEEDINGS
SPECIAL SESSION**

The Dubuque City Council met in special session at 5:30 p.m. on April 10, 2017 beginning at the parking area at 420 Garfield Avenue (Garfield and Pine Streets).

Present: Mayor Buol; Council Members Connors, Resnick, Rios; City Manager Van Milligen

Absent: Council Members Del Toro, Lynch and Jones; City Attorney Brumwell

Mayor Buol read the call and stated this is a special session of the City Council called for the purpose of conducting a walking tour work session of the Upper Bee Branch Creek Restoration Project.

**WORK SESSION
Walking Tour of the Upper Bee Branch Creek Restoration Project**

Civil Engineer Deron Muehring and Project Manager Steve Brown conducted a walking tour with the City Council of the Bee Branch Creek Restoration Project. Staff focused on the overall progress of the project and amenities that included: Railroad culverts; fish habitats; amphitheater; architectural water features; vegetation/landscaping components, choices and interactivities; visitor and residential parking allowances; pervious paving surfaces; current and future flood/stormwater mitigation projects; orchard area and green spaces; educational and recreational components; bike/hike trail connections; safety features and ADA accessibility; design selection of benches, trash receptacles and signage; electronic message boards; bus stops; 24th Street overlook; memorial and sponsorship opportunities; and state and federal funding.

Staff responded to questions from residents attending the tour.

There being no further business, upon motion the City Council adjourned at 6:41 p.m.
