# NEWS RELEASE

*May 4, 2017 – FOR IMMEDIATE RELEASE*

## **Lane Closure on Cedar Cross Road Bridge, May 9-10**

DUBUQUE, Iowa – Utility installation along the west side of the Cedar Cross Road bridge will require a closure of the southbound lane and a detour for southbound traffic between 9 a.m. and 4 p.m. on both Tuesday, May 9, and Wednesday, May 10.

The work will require the southbound lane to be closed on the bridge and southbound Cedar Cross traffic to be detoured. Westbound traffic on Dodge St. intending to travel south on Cedar Cross Rd. will be detoured to Crescent Ridge Dr. Eastbound traffic on Dodge St. intending to go south on Cedar Cross will be detoured to Fremont Ave. Northbound traffic on Cedar Cross Rd. will not be affected. A map of the detour is available at [www.cityofdubuque.org/detours](http://www.cityofdubuque.org/detours). Equipment will be staged in the southbound lane and work will be performed to install utilities on the outside of the bridge structure. Pedestrian traffic will be prohibited on the bridge while this work is being performed.

Utility installation along the west side of the Cedar Cross Road bridge will enable private and public utilities to cross a section of Middle Fork Catfish Creek and railroad track, enabling private and public telecommunications to extend their service areas.

If you have questions regarding this closure/detour, please contact the City of Dubuque Engineering Department at 563-589-4270 or [engineer@cityofdubuque.org](mailto:engineer@cityofdubuque.org). Please note: closure dates/times are estimates and are subject to change without notification based on weather and contractor schedules.
