Five Flags Center Public Input Session Thursday

DUBUQUE, Iowa – The City of Dubuque invites residents and stakeholders to attend a public input session regarding the Five Flags Civic Center on Thursday, May 18, from 6:30-7:30 p.m. in the Orpheum Room at Five Flags, 405 Main St.

The Dubuque City Council identified a Five Flags Civic Center Assessment and Study as one of its highest priorities for 2016-2018. Subsequently, the City hired a consultant, Convention, Sports and Leisure International, to conduct a study including a current status assessment, expansion study and assessment, review of naming rights and/or sponsorship opportunities, as well as future scenario development. The May 18 drop-in session at Five Flags will allow participants to share input with the consultants regarding the history and significance of the civic center, program/event feedback, patron amenities, ideas for the building and its future, share concerns, and more.

For additional information, contact the City of Dubuque Leisure Services Department at 563-589-4263.
