## **Five Flags Center Community Survey Available Online**

DUBUQUE, Iowa – The City of Dubuque invites residents and stakeholders to submit input regarding the future of the Five Flags Civic Center through an online survey available at [www.cityofdubuque.org/fiveflagssurvey](http://www.cityofdubuque.org/fiveflagssurvey).

The Dubuque City Council identified a Five Flags Civic Center Assessment and Study as one of its high priorities for 2016-2018. The Five Flags Civic Center has long served as an important community asset for Dubuque and its residents. Significant changes have occurred within the event facility industry nationwide and the City of Dubuque is interested in determining the most appropriate path forward as it relates to the Five Flags Civic Center and its ongoing role in Dubuque. The City hired a consultant, Convention, Sports and Leisure International, to conduct a comprehensive feasibility study regarding the future strategy for the facility. A key component of this study involves outreach to Dubuque residents to share their voices and opinions regarding the future of Five Flags.

The survey will be available online until June 25, 2017. For additional information, contact the City of Dubuque Leisure Services Department at 563-589-4263.
