NEWS RELEASE

June 15, 2017 – FOR IMMEDIATE RELEASE

Water Main Extension Project Requires Kennedy Road Lane Closure Through July

DUBUQUE, Iowa – A public water main extension project will require a lane closure and temporary traffic signals on a northern section of John F. Kennedy Road from Monday, June 19, through the month of July.

Public water main will be extended north along Kennedy Road from approximately John Wesley Drive to Forest Glen Court and 1,400 feet west on Derby Grange Road from Kennedy Road. The extended public water main will serve customers along Kennedy Road and Derby Grange Road, which include two residential subdivisions currently being developed.

This project is scheduled to begin on Monday, June 19, with one lane closed and two-way traffic being controlled with temporary traffic signals until approximately Aug. 1, 2017. Access to existing driveways and intersections will be maintained during the project. A map of the project area is available at www.cityofdubuque.org/detours.

If you have questions regarding this closure/detour, please contact the City of Dubuque Water Department at 563-589-4303 or email Bschuell@cityofdubuque.org. Please note: closure dates/times are estimates and are subject to change without notification based on weather and contractor schedules.
