## Public Input Sought for New Playground Equipment at Flora Park

DUBUQUE, Iowa -- The City of Dubuque Leisure Services Department is excited to announce the replacement of playground equipment at Flora Park and is inviting residents and stakeholders to provide input on the project. The new equipment will be located next to the large equipment off Wilbricht Lane.

Three play equipment options are under consideration for the park and the location and displays of each are online. Those interested are encouraged to visit the Flora Park webpage at [www.cityofdubuque.org/floraplayground](http://www.cityofdubuque.org/floraplayground). The webpage includes renderings/examples of play equipment options. Leisure Services staff encourage families to review all three play equipment options with children and place their votes as well. One vote allowed per person. Those interested in the project are encouraged to share the link with others who would like to vote. **The deadline for online voting is noon on Wednesday, May 9.**
