## **Park and Recreation Commission Seeks Input on Potential Pet Park Sites**

DUBUQUE, Iowa – The Dubuque Park and Recreation Advisory Commission will conduct a public open house on Wednesday, August 26, from 6:30 p.m. to 7:30 p.m. in the Majestic Room of the Five Flags Center to receive comments on three potential sites for a dog park.

After considering 10 pet park locations, the Park and Recreation Advisory Commission has narrowed the list of possible dog park sites to:

- East of the Thermo Fisher Scientific parking lot on Kerper Boulevard
- the IDOT property at the southeast corner of Dodge and Locust streets
- Dubuque Industrial Center West, off of Pennsylvania Avenue.

At the open house, a table will be set up for each site so that citizens may leave comments on each possible dog park location. Comments may be submitted in writing or voiced to commissioners. All verbal comments will be put into writing and a record will be kept.
