# NEWS RELEASE

*Dec. 12, 2018 – For Immediate Release*

## City Adds New Parking in Millwork District

DUBUQUE, Iowa – The City of Dubuque recently completed construction of a new, 81-space, public parking lot and opened an existing 82-space lot to public parking in the city’s Historic Millwork District. Both lots will temporarily offer free parking while the City reviews paid parking options.

The new parking lot, located at 11<sup>th</sup> Street and Elm Street, opened on Friday, Dec. 7, and features permeable pavers to reduce stormwater run-off. The parking lot offers free, four-hour parking between the hours of 6 a.m. and 6 p.m., Monday through Friday, and free parking on nights (6 p.m. to 6 a.m.) and weekends (Saturdays and Sunday). Overnight parking is allowed except during snow events when parking in the lot is prohibited between 11 p.m. and 7 a.m. to allow for snow removal.

An existing 82-space lot, located at 9<sup>th</sup> Street and Elm Street behind the Intermodal Center, will open for general public parking on Monday, Dec. 17. This lot was previously restricted to permit parking. As of Dec. 17, this lot will offer the same parking as the new lot: free, four-hour parking between the hours of 6 a.m. and 6 p.m., Monday through Friday, and free parking on nights (6 p.m. to 6 a.m.) and weekends (Saturdays and Sunday). Overnight parking is allowed except during snow events when parking in the lot is prohibited between 11 p.m. and 7 a.m. to allow for snow removal.

Vehicles violating the four-hour limit will receive a \$10 parking violation. The temporary free parking in these two lots is expected to be in place until the spring. For more information, contact the City of Dubuque Transportation Services Department at 563-589-4266 or visit [www.cityofdubuque.org/parking](http://www.cityofdubuque.org/parking).
