# NEWS RELEASE

*January 23, 2019– For Immediate Release*

## Odd/Even Snow Route Parking Policy in Effect Thursday and Friday

DUBUQUE, Iowa – The City of Dubuque's odd/even snow route parking policy will be in effect on Thursday, January 24, and Friday, January 25.

**Parking will not be allowed on the even-numbered side of the streets on Thursday and parking will not be allowed on the odd-numbered side on Friday.** The only streets affected are those identified with snow route signs, which include the times that parking is restricted. The policy's parking restriction will be enforced during the entire posted and declared period, with no allowance for parking prior to the end of the posted time period or after a perceived plow pass. Vehicles violating the restrictions will be ticketed and violators fined \$30.

Residents who wish to receive an automatic email and/or text notification when the odd/even snow route policy is implemented can "subscribe" to do so through the "Notify Me" module on the City's website at [www.cityofdubuque.org/notifyme](http://www.cityofdubuque.org/notifyme). Notifications are also posted to the City's Facebook and Twitter accounts. Additionally, the City will continue to use the CodeRED emergency notification system to phone residents who live on the odd/even snow route. To add a phone number to the database, visit [www.cityofdubuque.org/codered](http://www.cityofdubuque.org/codered).
