**Five Flags
Expanded /
Improved Phase II
Summary review,
Recommendations**

Marie Ware recapped Phase II of the study to bring commissioners up to date. General Manager Cook, then guided commissioners through the summary packet distributed at the meeting.

Commissioner Bakke asked the impact on Ecumenical towers. Cook discussed there would be no impact on the building or space, and we would continue the conversation with them if items move forward.

Commissioner Blau ask what the next steps from City council would be if Commission recommends to file and receive the report. Ware discussed that council could respond in many ways, the timeline that was distributed was created for council, but they may choose to create a new timeline.

Commissioner Huff asked specific questions in regards to the parking information. Commissioners agreed that the summary had very specific information that was complete. One question from Huff was not available, and Cook or Ware will go to CSL for the answer.

After the discussion of summary, Commissioner Daugherty motioned the Commission recommend to City Council to file and receive the Phase 2 planning for Expanded/Improved Five Flags Civic Center. Commissioner Bakke seconded, the motion passed unanimously.
