New Business
a. Hotline for Eviction Prevention
Alexis Steger, Department Director, summarized plans for a hotline for eviction prevention. Under this plan, the City would fund a position to field telephone calls from landlords and tenants regarding evictions. The position would provide data on questions about the eviction process, type of evictions, illegal evictions, and the number of landlords needing assistance the eviction process. It is not intended for the position to provide legal assistance.

b. Fair Housing Testing
SteGER presented the idea of funding a program for staff who work for the City Dubuque who would be trained to administer fair housing testing. Initially, the City would pay for the training of City employees on testing and continually train additional staff, as needed, when staff leave employment with the City.

There was discussion about hiring an independent group to conduct the fair housing testing for an unbiased opinion or possibly having a mixture of staff and an independent group perform the testing.

c. Landlord Incentive Program for Housing Choice Voucher
MINUTES FOR HOUSING COMMISSION MEETING

Steger presented an option offered by a Minneapolis program—Housing & Community Development would choose units in different areas within Dubuque to serve different types of housing situations. The landlords would hold a unit for a voucher holder and, if the unit was vacant, funding would be provided to pay for rent for the time period the unit is held.

Action: Alexis will send a copy of the ordinance or policy for the Minneapolis program to the Housing Commissioners.

d. Review Changes to Background Check Process for Housing Choice Voucher

Steger stated Illinois was becoming challenging with processing background checks in a timely manner for the Housing Choice Voucher program; if a person has a similar name as someone else, fingerprinting must be completed. It costs $10, $20, or, sometimes, more if fingerprints are needed for the background check.

The Department was considering contracting with RSI, the vendor who currently completes background checks for landlords. The background checks would be run before clients were considered eligible for the program and the background checks would be run again at clients’ first annual exam. RSI charges $5 per background check.

As of October 22, 2020, arrest records will no longer be provided to landlords with the background checks to prevent confusion between arrests and charges going through the courts.
