OLD BUSINESS

01. REVIEW AIRPORT STATISTICS

Monthly Airport statistics for fuel, enplanements, aircraft operations and finances for the months of October and November were reviewed. Jet A fuel sales decreased 25% but Av Gas fuel sales increased 21% when compared to November 2019. Flight operations were up 22% over November 2019, which continues to make DBQ the second busiest airport in aircraft operations in Iowa. Commercial airline operations on American Airlines were suspended at DBQ on October 7th because of a reduction in passengers flying nationwide, due to the Pandemic and has remained suspended. Sun Country has announced that they will return with charters to/from Dubuque after the first of the year.
