A. Library Director’s Report Summary and Update:
1) Library Financial Report Fiscal Year (FY) 2021 - Henricks reported that November marks 42% of the fiscal year lapsing. Expenditures were at 38%. Revenue was at 86% of projections.

2) Library Use Report – Henricks reported Library use has not changed a great deal from previous months impacted by COVID-19. Lower visits and checkouts of material continued, with digital materials continuing high growth.

Henricks reported curbside library visits for 27 days in November were 245, which represents an 18% increase over October. November visits inside the library numbered 10,103 or an average of 375 a day. Despite the lower number of visits the circulation of children’s books during November was equal to that of November 2019. Curbside visits will be added to the statistical report in January.

Use of the Library’s WhisperRoom showed strong growth – nearly 142% comparing this year to 2019. Much of this growth is attributed to employee time in the WhisperRoom (for podcasts, voice-overs for videos, etc.) that was not done previously. The Board discussed the value of having both the employee and patron time reported separately in the statistical report. The Board requested that the information be presented separately in the future.

3) Marketing Report – Henricks reported on the 2019-2020 marketing campaign with the following accomplishments noted:

- The Marketing Coordinator wrote 95% of the press releases with a consistent message and style.
- A new library brochure was designed and written
- Onboarding emails that new library patrons receive were updated.
- The Marketing Coordinator created and implemented monthly website, e-mail, and social marketing campaigns promoting digital resources. Reviewing the past 20 campaigns, 19 of the digital resources increased in use. Four saw triple-digit percentage increases, and 12 were double-digit percentage increases.
- The “Open” campaign was used for all promotion to increase the “brand” and “message” and professional pictures were taken of library users to include in the content.
- New outdoor banners were designed, created, and installed.
- Two special campaigns were created with OnMedia, and funded by the Library Foundation, to promote the WhisperRoom and the Maker Space.
- A video was created to promote Youth Services for the 2020 Kids’ Expo, and now with the homebound program.
- Logos for the All Community Reads and the Great Reading Challenge were created.
- A successful email campaign was launched in September to encourage patrons to visit the library if they had not been in since earlier in the year.
- The Marketing Coordinator is working with Information Technology Manager Michael Kerth to design a new website, which will result in savings when the existing site is no longer managed by Civic Plus in March 2021.

Henricks reported that the two-year term for the Marketing Coordinator will end in January. Part-time Marketing Coordinator Amanda Dolter has been with the Library about two years. A budget request as an improvement package for funding this position was not made due to the revenue shortfall that the City continues to experience.

The Library Foundation has granted funds to wrap the new van, which should be delivered in January. The Board approved expending funds from Enrich Iowa (direct state aid) to cover the cost of wrapping the three material return boxes so that the marketing theme and brand of the library is cohesive.

Henricks reported finding competitive vendors for the art audio tour of the Library’s artworks from a more high tech tour with GPS and virtual tours to a more simplified tour solution with a map and audio. She plans to fine tune this information and provide it to the Board along with submitting a funding request to the Library Foundation for this project.

4) Staffing Update – Henricks reported that interviews are taking place, or recently concluded, for four positions: part-time custodian, full-time librarian, part-time library assistant (Circulation), and part-time library aide, (Youth Services). Recommendations have been sent to Human Resources for the part-time library assistant and part-time library aide with aide position approved and the other to be filled by the end of the month.
