Commissioners Kennicker and Boles offered to help, schedule dependent.

CLIMATE ACTION PLAN ADOPTED AND IMPLEMENTATION: Staff gave update that the CAP was adopted by Council and next steps will be implementing the actions in the plan. Staff also explained the process of the work session and adoption and future goal setting. Staff shared that Complete Streets will be a major push this year and while related policy does exist, the CAP calls for more robust action. Staff shared that in the past, the RCAC has offered letters of support to Council for their consideration during goal setting.
