

What is the role of the City of Dubuque in ADA compliance?

The role of the City of Dubuque is to ensure that all facilities used by the public are fully accessible to persons with disabilities. This includes all parking lots, retail and wholesale stores open to the public, restaurants, cafés, taverns, gas stations, public buildings, lodging, schools, parks, and entertainment venues. To this end, the City has adopted, by ordinance, the Iowa Accessibility Code.

Downtown ADA Assistance Program

PROGRAM OVERVIEW

The Downtown ADA Assistance Program is designed to assist businesses with the cost of becoming ADA compliant. Qualified applicants can be reimbursed up to \$5,000 of the project cost by the City of Dubuque. Businesses must first deduct 50% of the project cost for potential tax credits, and the City will then reimburse up to 50% of the remaining balance (maximum of \$5,000.)

ELIGIBILITY REQUIREMENTS

Eligible properties must be located in the Greater Downtown Urban Renewal District. A map of the district is included in this brochure and is also available at www.cityfdubuque.org/ada, or by calling 563.589.4150.

Eligible projects include readily achievable accessibility modifications to existing businesses; for example, ramps, restrooms, etc.

All assistance is on a first come, first served basis.
