

## PROGRAM OVERVIEW

The Downtown ADA Assistance Program is designed to assist businesses with the cost of becoming ADA compliant. Qualified applicants can receive up to 50% of the cost of the project from the City of Dubuque, after already receiving a 50% federal tax credit on the project, up to \$5,000 per property.

## ELIGIBILITY REQUIREMENTS

Eligible properties must be located in the Greater Downtown Urban Renewal District. A map of the district is included in this brochure and is also available at [www.cityofdubuque.org/ada](http://www.cityofdubuque.org/ada), or by calling 563.589.4150.

Eligible projects include readily achievable accessibility modifications to existing businesses; for example, ramps, restrooms, etc.

All assistance is on a first come, first served basis.
