

CITY GOVERNMENT 101

A DUBUQUE RESIDENT'S GUIDE TO CITY GOVERNMENT

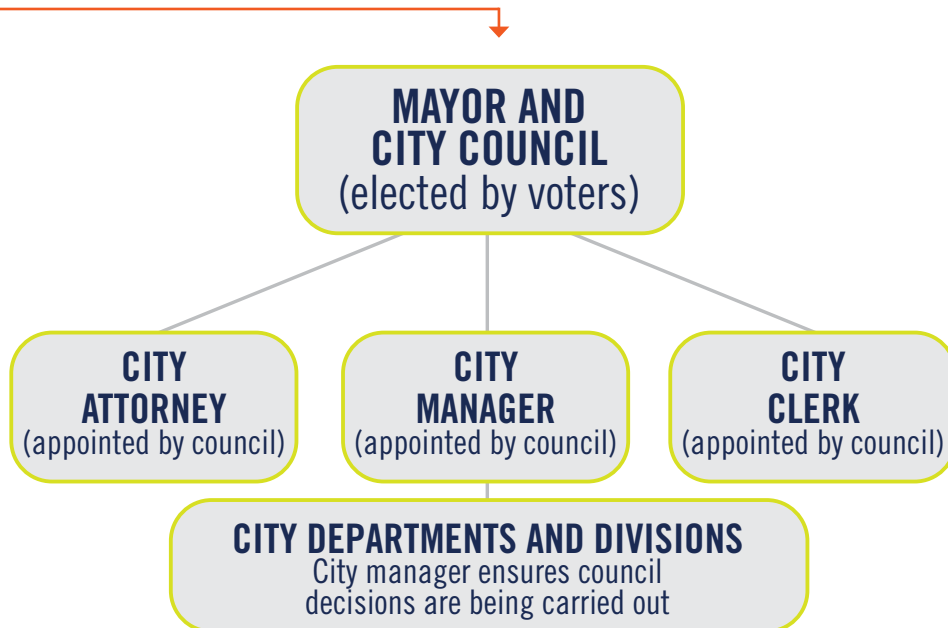

FORM OF GOVERNMENT

Dubuque operates under the council-manager form of local government, which combines the political leadership of elected officials in the form of a city council, with the managerial experience of an appointed local government manager, the city manager (Mike Van Milligen, ctymgr@cityofdubuque.org, 563.589.4110.) The council-manager form of government was adopted by citizen referendum in 1920.

Mayor Brad Cavanagh and the Dubuque City Council members are the leaders and policy makers elected to represent the community and to concentrate on policy issues that are responsive to citizens' needs and wishes. The city manager is appointed by the city council to carry out policy. The city council also appoints the city attorney (Crenna Brumwell, cbrumwel@cityofdubuque.org, 563.589.4113) and city clerk (Adrienne Breitfelder, abreitfe@cityofdubuque.org, 563.589.4120.)

The council is the legislative body; its members are the community's decision makers. Power is centralized in the elected council, which approves the budget and determines the city portion of the tax rate, for example. The council also focuses on the community's goals, major projects, and such long-term considerations as community growth, land use development, capital improvement plans, capital financing, and strategic planning. The council hires a professional manager to carry out the administrative responsibilities and supervises the manager's performance.
