

**TO:** The Honorable Mayor and City Council Members

**FROM:** Michael C. Van Milligen, City Manager

**SUBJECT:** Upper Bee Branch Creek Restoration Project  
429 Rhomberg Stabilization Project  
(CIP #3401654)

**DATE:** October 15, 2014

Sealed bids were received for the 429 Rhomberg Stabilization Project. City Engineer Gus Psihoyos recommends award of the contract to the low bidder, R&W Restoration, LLC, in the amount of \$170,750, which is 6.6% below the Engineer's estimate of probable cost.

I concur with the recommendation and respectfully request Mayor and City Council approval.
