DMATS TAP Funding Application & Assurances (CIP #7201654)

DATE: December 8, 2014

City Engineer Gus Psihoyos recommends City Council approval of a resolution establishing the City's support for the Lower Bee Branch Overlook at the 16th Street Detention Basin Project and providing assurance that the City will maintain the improvements for a minimum of 20 years following completion of the project. Adoption of the resolution is required in order to secure \$640,000 in Transportation Alternatives Program Funds for the Lower Bee Branch Overlook Project as appropriated in the Dubuque Metropolitan Area Transportation Study (DMATS) Fiscal Year 2014-2017 Transportation Improvement Program. It is recommended that the City Manager be authorized to sign and submit a Request for Transportation Improvement Program Funds to the Iowa Department of Transportation for the use of DMATS funding for the project.

I concur with the recommendation and respectfully request Mayor and City Council approval.

Michael C. Van Milligen
