SUBJECT: Upper Bee Branch: MRT Route Trailhead Parking Lot at 22nd and Prince Streets Project [DMATS TAP Funding Application & Assurances] (CIP #7201654)

DATE: January 27, 2015

City Engineer Gus Psihoyos recommends City Council approval of a resolution to establish the City of Dubuque's support for the Upper Bee Branch: MRT Route Trailhead parking lot at 22nd and Prince Streets Project. The resolution also provides assurance that the City will maintain the improvements for 20 years following completion of the project. Adoption of the resolution is required in order to secure \$300,000.00 in Transportation Alternatives Program Funds for the improvements as appropriated in the DMATS Fiscal Year 2014-2017 Transportation Improvement Program.

I concur with the recommendation and respectfully request Mayor and City Council approval.

Michael C. Van Milligen
