

**TO:** The Honorable Mayor and City Council Members  
**FROM:** Michael C. Van Milligen, City Manager  
**SUBJECT:** US EPA Urban Waters Small Grant  
**DATE:** November 30, 2015

City Engineer Gus Psihoyos recommends City Council approval of an application for US EPA Urban Waters Small Grant in order to secure funding to identify the source of the *E. coli* bacteria found in the Bee Branch Creek and establishing the City Manager as an authorized representative of the City regarding the grant.

I concur with the recommendation and respectfully request Mayor and City Council approval.
