**DATE:** May 31, 2016

**RE:** Work Session – Bee Branch Creek Restoration Project Walking Tour

This memorandum is a request to schedule another work session for a walking tour of the Bee Branch Creek Restoration Project. Engineering would like to schedule this Bee Branch Creek Restoration Project work session walking tour on Monday, July 11, 2016 at 5:30 p.m. with the Mayor and City Council. The tour will start at the parking lot at Garfield Avenue and Pine Street.
