RE: Work Session – Bee Branch Creek Restoration Project Walking Tour

This memorandum is a request to schedule a work session for a walking tour of the Bee Branch Creek Restoration Project. Engineering would like to schedule this work session walking tour on Monday, October 24, 2016 at 5:00 p.m. with the Mayor and City Council. While this is before the time change, sunset is 5:53 p.m. on that day so the earlier time for the tour is requested. The tour will start at the parking lot at Garfield Avenue and Pine Street.

cc: Deron Muerhing, Civil Engineer
Steve Brown, Project Manager
Marie Ware, Leisure Services Manager
Kristin Hill, Bee Branch Project Communications Specialist
