Budget revisions requested during the final ninety (90) days of the Contract period will be approved by the Authority only if it determines that the revisions are necessary to complete all activities. 5.4 PROHIBITION ON USE OF FUNDS. The funds provided under this Contract shall not be used for activities reimbursable by or for which funds are made available by the Federal Emergency Management Agency or the Army Corps of Engineers. In addition, no funds provided under this Contract may be used for the purchase of equipment or other personal property.

5.5 ADMINISTRATIVE COST LIMITATIONS. Federal funds used for reasonable administrative costs, as allowed under Federal and State regulations, shall be limited to two percent (2%) of the total CDBG-NDR funds as specified in the “Budget Activity” as found in the Recipient's IowaGrants.gov account. (b) The Recipient shall notify property owners receiving disaster assistance for which the owner is required to obtain flood insurance as set forth herein that such property owners have a statutory responsibility to notify any transferee of the requirement to obtain and maintain flood insurance, and that the transferring owner may be liable if he or she fails to do so. The following duties and requirements shall apply:

(i) The transferor shall, not later than the date on which such transfer occurs, notify the transferee in writing of ANY requirements to (A) obtain flood insurance in accordance with applicable federal law with respect to such property, if the property is not so insured as of the date on which such property is transferred; and (B) maintain flood insurance in accordance with applicable federal law, which written notification shall be contained in the deed or other document evidencing the transfer of ownership of the property.

(c) For purposes of this section, the term “Federal disaster relief assistance” applies to HUD or other federal assistance for disaster relief in “flood disaster areas,” and the term “flood disaster area” has the meaning given such term in Section 582(d)(2) of the National Flood Insurance Reform Act of 1994, as amended, and includes an area receiving a presidential declaration of a major disaster or emergency as a result of flood conditions.

GENERAL PROVISIONS
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
October 4, 2016

1.0 AMENDMENT.
   (a) WRITING REQUIRED. The Contract may only be amended through written prior approval of the Authority through IowaGrants.gov. Examples of situations where amendments are required include extensions for completion of Project activities, changes to the Project including, but not limited to, alteration of existing approved activities or inclusion of new activities.
   (b) UNILATERAL MODIFICATION. Notwithstanding paragraph "a" above, the Authority may unilaterally modify the Contract at will in order to accommodate any change in the Act or any change in the interpretation of the Act or any applicable Federal, State or local laws, regulations, rules or policies. A copy of such unilateral modification will be given to the Recipient as an amendment to this Contract.
   (c) AUTHORITY REVIEW. The Authority will consider whether an amendment request is so substantial as to necessitate reevaluating the Authority's original funding decision on the Project. An amendment will be denied if it substantially alters the circumstances under which the Project funding was originally approved or if it conflicts with the Program Rules.

2.0 AUDIT REQUIREMENTS.
   (a) SINGLE AUDIT. The Recipient shall ensure that an audit is performed in accordance with the Single Audit Act Amendment of 1996; OMB 2 CFR part 200, subpart E; and OMB 2 CFR part 200, subpart F, as applicable, and the Iowa CDBG Management Guide.
   (b) ADDITIONAL AUDIT. As a condition of the grant to the Recipient, the Authority reserves the right to require the Recipient to submit to a post Project completion audit and review in addition to the audit required above.

3.0 COMPLIANCE WITH LAWS AND REGULATIONS. The Recipient shall comply with all applicable State and Federal laws, rules, ordinances, regulations and orders including all Federal laws and regulations described in 24 CFR subpart K.

4.0 UNALLOWABLE COSTS. If the Authority determines at any time, whether through monitoring, audit, closeout procedures or by other means or process, that the Recipient has expended funds which are unallowable, the Recipient will be notified of the questioned costs and given an opportunity to justify questioned costs prior to the Authority’s final determination of the disallowance of costs. Appeals of any determinations will be handled in accordance with the provisions of Chapter 17A, Iowa Code. If it is the Authority’s final determination that costs previously paid by the Authority are unallowable under the terms of the Contract, the expenditures will be disallowed and the Recipient shall repay to the Authority any and all disallowed costs.

Real property under the Recipient’s control in excess of $25,000 and equipment that was acquired or improved in whole or in part with CDBG-NDR funds shall be used to meet one of the National Objectives pursuant to 24 CFR 570.208 until five (5) years after expiration of the Agreement. If Recipient fails to use CDBG-NDR assisted real property that meets a National Objective during the five (5) year period the Recipient shall pay IEDA an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG-NDR funds for acquisition or improvement to the real property.

5.0 PROGRAM INCOME. All program income, as defined in 2 CFR part 200, subpart E and 24 CFR 570.489, shall be added to the Project "Budget Activity" and used to further eligible Project objectives as defined in the Contract and the "Budget Activity" in the CDBG-NDR Application. Program income not used to further Project objectives will be deducted from the total Project "Budget Activity" for the purpose of determining the amount of reimbursable costs under the Contract. In cases of dispute, final decisions regarding the definition or disposition of program income shall be made by the Authority.
