City of Dubuque Health Services  
Food Establishment License Application (including Mobile Units)

This is an application for obtaining a food establishment license from the (Iowa Department of Inspections and Appeals). Iowa law prohibits a food establishment or food processing plant from opening or operating until a license has first been obtained from the appropriate regulatory authority. **Completed applications and documents must be submitted at least 30 days prior to the anticipated opening date.**

The application must be fully completed and returned with all necessary documents and fees to the (Iowa Department of Inspections and Appeals). **INCOMPLETE APPLICATIONS WILL BE RETURNED WITHOUT REVIEW.**

Once applications and other required documents and fees are received and processed, the Department will review the documents and provide the applicant with the assigned inspector’s contact information by letter once the application is processed. The applicant is responsible for contacting the inspector to schedule a pre-operational inspection. Plan submission is required for new construction and remodels; the Department will review the plans and communicate the results of the plan review to the applicant. Plan reviews generally take 3 to 4 weeks. It would be beneficial to submit the application prior to beginning construction, remodeling, or alteration of a facility. There is no fee for plan review. Please note, failure to provide all required information could delay plan approval. **If you are remodeling a licensed facility already owned by you submit plans only with your license number and notify your inspector.**

*Remodel facilities with no change in ownership or location need only submit a floor plan and the list of equipment for the specific area(s) of the food establishment that are affected by the remodel submitted to the address below.*
