Percent Increase (Decrease)				4.0 %
Personnel - Authorized FTE	5.58	5.58	5.86	

Improvement Package Summary

1 of 5

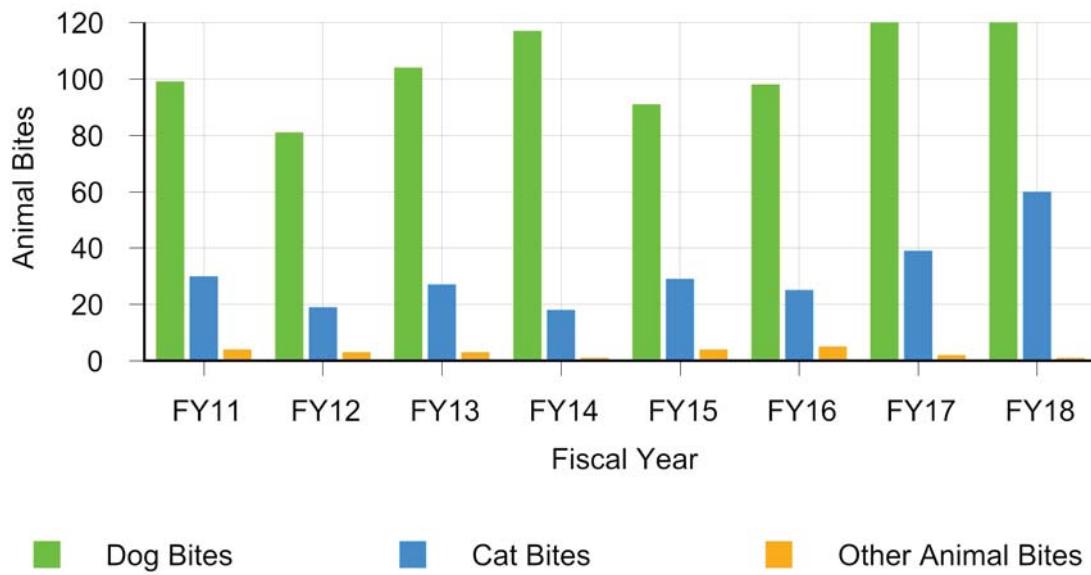

This improvement package would increase one part-time Animal Control Officer to full-time (+0.28 FTE or 582 hours annually), increasing Animal Control staffing by 11 hours, providing additional coverage and more timely follow-ups on animal control incidents and complaints. The added coverage could reduce the amount of calls Police respond to, increase the number of impounded animals and their subsequent revenue, and provide more prompt and efficient service to citizens. This increase in staffing would also provide more coverage for when Animal Control staff is in training, City business, or for personal time. Currently, when one of the Animal Control Officers requires time off, coverage hours are decreased, since neither part-time Animal Control Officer can go above 29 hours per week or 1,508 hours per year. Annexations have also added travel time and coverage ability for Animal Control. In addition, now that pets are allowed on trails and in some parks, Animal Control can address enforcement for pets in these areas in conjunction with park patrol.

When Animal control is not on-duty (i.e., evenings, nights, weekends, holidays, training, etc.), Police cover animal emergencies and complaints. This amounts to significant time and expenditure for the Police Department, who are not as thoroughly trained in animal control.

Police Animal Calls		
FY13: 717	FY15: 569	FY17: 525
FY14: 854	FY16: 647	FY18: 539

Current staffing levels do not allow any time for community outreach and education on animal control and responsible pet ownership issues. Increasing the Animal Control officers' hours would allow them to meet with and provide education to neighborhood associations, civic organizations, schools, animal organizations, etc.

Animal Bites

Note: Average number of bites each calendar year from 2006 - 2016 is 131. The average number of bites for 2017 and 2018 is 178, a 36% increase.

In addition, the amount of dogs and cats licensed in the city has steadily increased since FY95. This does not account for unlicensed pets, which the American Veterinarian Medical Association estimates 32% of the households owning 1.69 dogs and 27.3% owning 2.19 cats. For the City of Dubuque's 22,560 households, this translates to 12,200 dogs and 13,488 cats. Recent and proposed annexations have also added travel time and coverage ability.

Fiscal Year	Animal Licenses Sold	Fiscal Year	Animal Licenses Sold
FY95	7,050	FY07	7,990
FY96	6,900	FY08	8,675
FY97	7,110	FY09	8,370
FY98	7,333	FY10	8,190
FY99	7,147	FY11	9,055
FY00	7,294	FY12	9,341
FY01	7,792	FY13	9,437
FY02	8,005	FY14	9,486
FY03	7,574	FY15	9,897
FY04	8,036	FY16	10,091
FY05	6,293	FY17	10,086
FY06	7,683	FY18	10,309

This improvement package would support City Council Goal 2: "Vibrant Community: Healthy and Safe" by encouraging a sense of safety in the community through increased enforcement as well as ensuring residents feel they are part of a collaborative solution through increased outreach and pet-ownership training efforts.

This improvement package also includes an increase in fuel (+\$293) and vehicle maintenance (+\$165). In addition, it is expected that animal impoundments fees would increase (+\$1,500), court fines (+\$2,500) and cat licenses (+\$1,000) and dog licenses (+\$1,500) due to enforcement and outreach.

3 of 5

This improvement package request is for both Health Department sanitarians to attend the National Environmental Health Association Annual Education Conference in Nashville, TN. Conference dates are July 9-12, 2019. The sanitarians will gain tools, resources, networking opportunities, and knowledge of recent trends and research in the environmental field. This will better equip the sanitarians in their daily operations with the City. The main objectives of this training are to learn about the latest interpretations and requirements for mandated retail food safety standards and learn about the latest research and studies about food safety interventions which can be implemented in the City of Dubuque Health Department.

This training and education for the sanitarians will result in better and more effective service for the citizens of Dubuque to address environmental health issues. Approval of this request contributes to multiple City

Council goals and priorities by: (1) creating more livable communities with sharper skills and new tools for code enforcement; (2) improving efficiency in daily operations through the development of creative workflows to contribute to a high-performance organization; and (3) developing a more vibrant community by implementing successful operation strategies discovered through networking opportunities with other organizations from around the nation.

4 of 5

This improvement package request is for new dictation equipment for the Health Department Secretary. The current equipment is outdated and cannot be used with current computer software. Dictation equipment allows Health Department staff to make more productive use of time by reducing time spent hand-writing or typing their own correspondence and reports. This request would improve staff health and wellness, attitude, alertness, and ultimately overall service delivery to customers. This request reflects the stated outcomes in City Council Goal 2: "Vibrant Community: Healthy and Safe" by encouraging overall health among City employees which is sought to be promoted among citizens of the community as well.

5 of 5

This improvement package would provide funds for a stand-up, adjustable-height desk unit for the Public Health Specialist's workstation. This improvement package addresses the City Council's goal to maintain a financially responsible, high-performance City organization through providing a ergonomically optimal workspace to promote sustainable, equitable, and effective service delivery for the community. A stand-up, adjustable-height desk will enable the Public Health Specialist to stand while working at the computer. This is especially important for employees who spend a majority of their time in a vehicle traveling on City business and/or sitting at their desk.

Related Cost:	<u>\$ 425</u>	Tax Funds	Non-Recurring	Recommend - Yes
Property Tax Impact:	<u>\$ 0.0002</u>	—%		
Activity:	Community Health			

Significant Line Items

Employee Expense

1. FY 2020 employee expense reflects a 1.5% wage package increase.
2. The Iowa Public Employee Retirement System (IPERS) City contribution of 9.44% is unchanged from FY 2019. The employee contribution of 6.29% is unchanged from FY 2019.
3. The City portion of health insurance expense decreased from \$1,193 in FY 2019 to \$921 in FY 2020 per month per contract which results in annual savings of \$1,108 or 22.77%.
4. Sick leave payout decreased from \$4,097 in FY 2019 to \$3,291 in FY 2020.
5. Overtime expense is unchanged from \$1,500 in FY 2019 to \$1,500 in FY 2020. FY 2018 actual was \$1,470.

Supplies & Services

6. Court Costs and Record Fees decreased from \$23,595 in FY 2019 to \$18,653 in FY 2020 based on FY 2018 actual \$18,653. Beginning January 1, 2016, the court requires the \$85 filing fee for municipal infractions to be paid up front by the City. The Court then enters judgment, and if a defendant is found guilty, the defendant will pay a fine plus \$85 in court costs and the Court will distribute the fine portion and reimburse the City for the filing fee that was paid up front by the City. If a defendant is found not guilty, the City will pay for the court costs using the \$85 filing fee paid upfront instead of deducting the \$85 from the City's judgments, which was the process done by the Court previous to January 1, 2016. Departments that file municipal infractions must budget the upfront filing fee and a portion of the amount is reimbursed to the department going forward. The offsetting revenue is budgeted in Iowa District Court Fines and is \$20,849 in FY 2020. Due to time delay of reimbursements, the revenue received is less than the expense.
7. Payments to Other Agencies increased from \$158,691 in FY 2019 to \$188,691 in FY 2020. The FY 2020 Humane Society contracted budget is \$132,891. Most of these contracted services for animal control are expenses that the City would have within its organization regardless of who provides the services. In addition, there is \$25,000 budgeted for the Crescent Community Health Center for rent of the wellness center at the renovated Engine House and \$25,000 budgeted for Crescent Community Health Center operating expenses. There is also \$5,800 budgeted for the Visiting Nurse Association to provide medical case management of lead poisoned children, which is funded by the Iowa Department of Public Health grant.
8. Bill Collection Services unchanged from \$46,238 in FY 2019 to \$46,238 in FY 2020 based on FY 2018 actual \$46,941. This line item represents the amount paid to PetData Services for pet licensing.
9. Education and Training increased from \$8,703 in FY 2019 to \$9,889 in FY 2020. This line item represents public health and nursing continuing education (\$350); National Animal Care & Control Training for Animal Control Officers (\$4,600); Iowa Department of Inspections and Appeals Training for Sanitarians (\$2,939); and Childhood Lead Poisoning Prevention Training and Lead and Healthy Homes Training (\$2,000).

Machinery & Equipment

10. Equipment replacement items include (\$1,875):

<u>Animal Control</u>		
(2) Smart Phones		700
<u>Inspections</u>		
(1) Smart Phone	\$	350
<u>Recommended Improvement Packages</u>		
Total	\$	<u>1,875</u>

Revenue

11. Dog and cat license revenue increased from \$161,023 in FY 2019 to \$168,373 in FY 2020 based on FY 2018 actual of \$165,873.
12. Business license revenue increased from \$97,000 in FY 2019 to \$139,950 in FY 2020 due to the fee increase approved by the State of Iowa on January 1, 2019. FY 2018 actual was \$107,579.

13. Iowa District Court Fines decreased from \$28,192 in FY 2019 to \$20,849 in FY 2020. FY 2018 actual was \$17,814. This revenue represents the reimbursement of the cost of Court Costs and Record Fees for municipal infractions fee paid up front by the City and then reimbursed to the City by the Court. Due to time delay of reimbursements, the revenue received is less than the expense. A majority of the municipal infractions filed by Health Services are for failure to license a pet.

Miscellaneous

14. The Animal Control activity is 56.0% self-supporting in FY 2020 versus 61.4% self-supporting in FY 2019.
15. The Inspection of Food Establishments activity is 70.5% self-supporting in FY 2020 versus 52.6% self-supporting in FY 2019.

PUBLIC HEALTH

Public Health provides an effective service to protect, maintain and promote the physical and environmental health and well-being of the citizens of the community.

SUCCESS IS ABOUT PLANNING, PARTNERSHIPS AND PEOPLE LEADING TO OUTCOMES

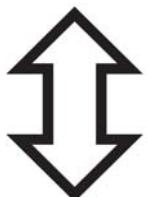

People

The Health Services Department strives to respond to conditions that affect the overall health of the community in a timely manner.

Planning

- The Dubuque County Community Health Needs Assessment and Health Improvement plan is a community-wide effort to assess the community's health needs and decide how to meet them.
- The Dubuque County Health Care Preparedness Coalition is a multi-disciplinary partnership that assesses jurisdictional risk and responds cohesively to public health incidents and emergencies.

Crescent Community
HEALTH CENTER

Green & Healthy Homes Initiative

VNA
VISITING NURSE ASSOCIATION
A subsidiary of Unity-Three States Health Group, Inc.

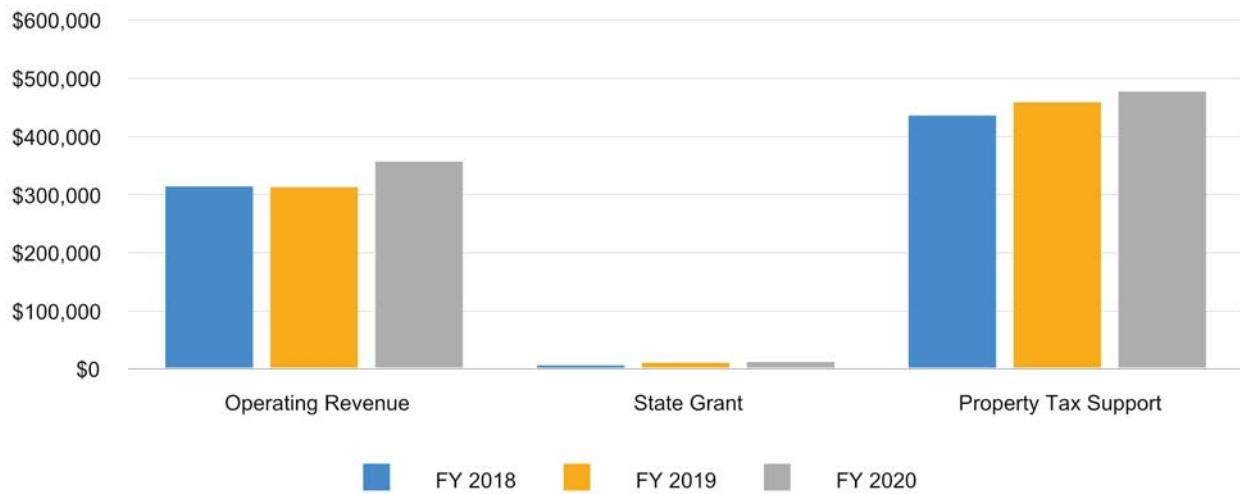

Partnerships

Partnerships allow public health to perform its activities in an effective, efficient, and inclusive manner. Some partners include the Crescent Community Health Center, Iowa Department of Public Health, Dubuque Community Schools, Dubuque Visiting Nurses Association, Dubuque County Health Department, Mercy Medical Center, Unity Point Health/Finley Hospital, and many others.

PUBLIC HEALTH

	FY 2018	FY 2019	FY 2020
Full-Time Equivalent	5.58	5.58	5.86

Resources and Property Tax Support

The Health Department is supported by 5.86 full-time equivalent employees, which accounts for 60.03% of the department expense as seen below. Overall, the departments' expenses are expected to increase by 8.19% in FY 2020 compared to FY 2019.

Expenditures by Category by Fiscal Year

PUBLIC HEALTH

Administration/Community Health

Overview

Community Health provides assessment, assurance, and policy development to address public health problems and issues in the community. The Health Services Department works with the Dubuque County Board of Health to carry out public health core functions and essential services necessary for an effective public health system.

Evaluate/Review/Update
Ordinances enforced by
Health Department:
Animal
Noise
Nuisance
Sewer Connection
Refuse Storage
Food

Administration plans, budgets, coordinates and supervises the various activities of the Health Services Department and participates in public health assessment, assurance, and policy development for the community, often working with partner organizations. The prime responsibility is to plan programs and develop policies based on the community health needs assessment, city council priorities, emerging health issues and emergencies as required, and respond to health related complaints and requests in a professional manner.

Health Administration/Community Health Funding Summary			
	FY 2018 Actual	FY 2019 Budget	FY 2020 Requested
Expenditures	\$252,039	\$244,079	\$269,468
Resources	\$6,482	\$12,207	\$13,565

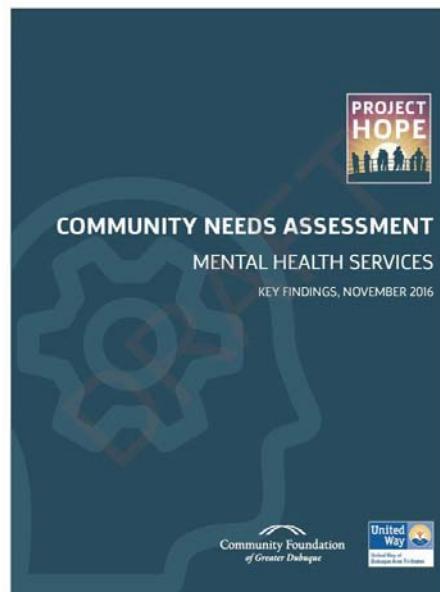

Health Administration/Community Health Position Summary	
	FY 2020
Public Health Specialist	1.00
Public Health Intern	0.14
Secretary	1.00
Total Full-Time Equivalent Employees	2.14

Highlights of the Past Year

- Community Health Needs Assessment and Health Improvement Plan (CHNA-HIP) completion (2019-2021 version)
- Updated Noise Ordinance
- City Employee Wellness Committee -provide guidance, support
- Attended HUD/National Environmental Health Association (NEHA) Lead and Healthy Homes Conference
- Development agreement between Crescent Community Health Center and Metx for a new clinic
-

PUBLIC HEALTH

- Bee Branch Healthy Homes Program- assisted with developing evaluation method and tools and providing oversight for Home Advocates
- Opioid advocacy policy development for city council and Dubuque Opioid Response Team
- Brain Health Community Task Force member
- Integrated Pest Management Plan (IPM) development- working group member
- Controlled Livestock Grazing ordinance and policy staff work group for successful implementation
- Revised nuisance and weed ordinance enforcement policies

PUBLIC HEALTH

Future Initiatives

- Further develop SOCRATA dashboard for Public Health data and outcomes
- Community education on lead service line replacement for water
- Brain Health-continue working with community based Brain Health Task Force to improve the mental/brain health care system and improved access to care in Dubuque County
- Healthy Hometown community health initiative in conjunction with Dubuque County Wellness Coalition
- Implementation of revised nuisance enforcement policy
- Pet Friendly Community Policy development - staff committee
- Build out of new Crescent Community Health Center
- Opioid Task Force community education and advocacy
- Community Health Needs Assessment and Health Improvement Plan (CHNA HIP) tracking and Implementation
- Dubuque Regional Humane Society - new agreement

Performance Measures

Community Health- Activity Statement

Maintain and enhance factors that contribute to the public health and welfare of the citizens of Dubuque.

Goal: Financially Responsible, High Performance Organization

Outcome #1: Provide, maintain, and educate on measures to prevent and control the spread of infections, communicable and environmental diseases and threats.

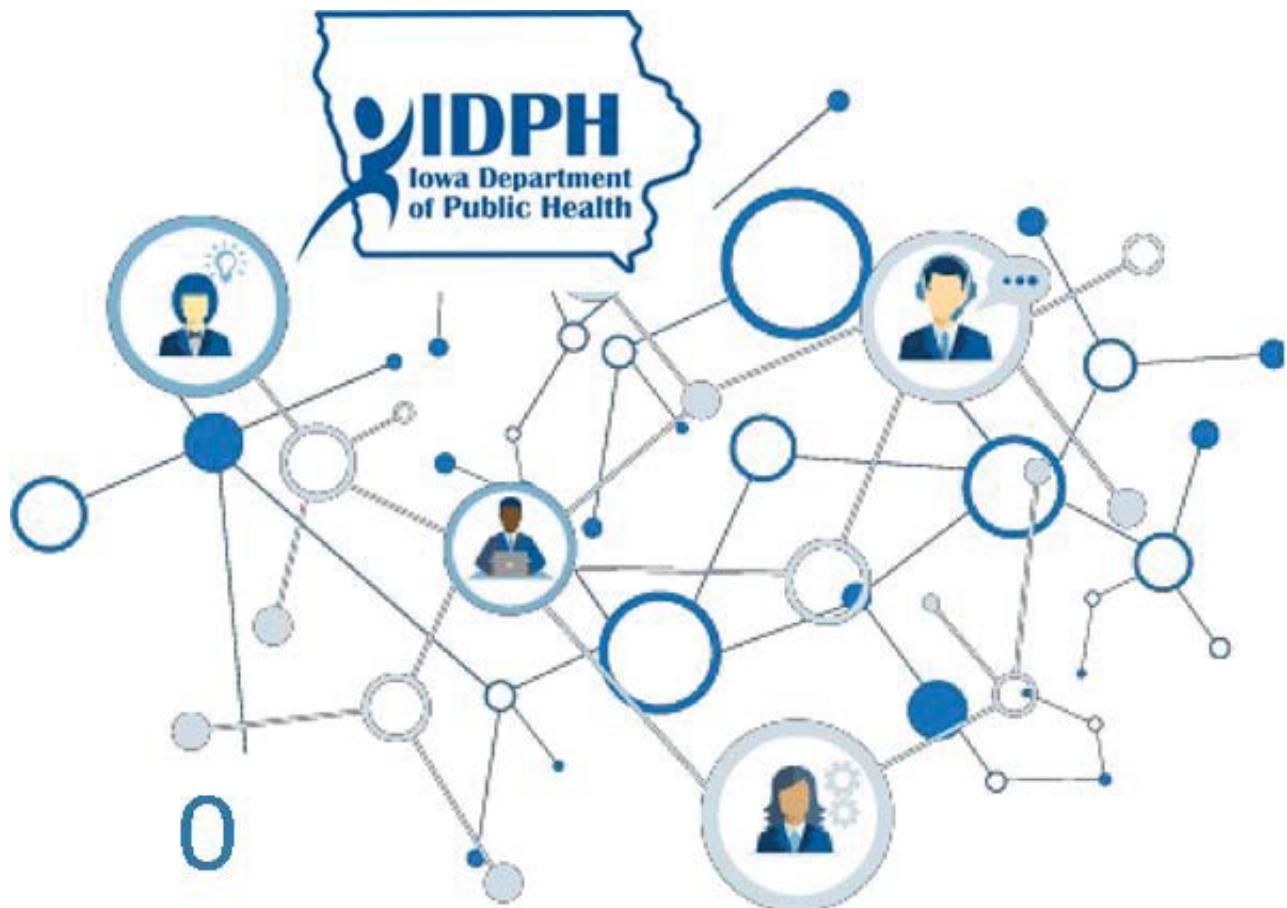

- Prepare for, respond to, and recover from public health emergencies and problems.
- Work cooperatively with community health partners to prevent and control the spread of infections, communicable and environmental diseases and conditions.
- Build and maintain collaborative relationships with community partners that support public health assessment, planning and program implementation.
 - Seasonal health and emerging communicable disease information communicated to the public via website, social media, TV and newspaper
 - Participated in the Integrated Pest Management Program (IPM) Task Force which included drafting an IPM plan for the City.
 - Coordinate Dubuque County Health Care Preparedness Coalition and participate in exercises

Participates in and plans emergency preparedness training and drills to ensure that in the event of a public health emergency all participating partners are familiar with their agencies' role and implementation of the public health preparedness plan is tested.

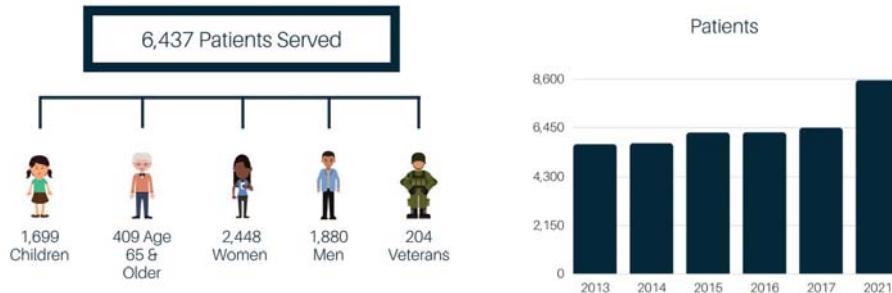

PUBLIC HEALTH

- Participate in the Dubuque County Health Care, Executive Committee Member
- Planned and executed City Management Team Emergency Operations Center (EOC) exercise. Exercise

PUBLIC HEALTH

Outcome #2: Assure accessibility and quality of primary care and population-based health services

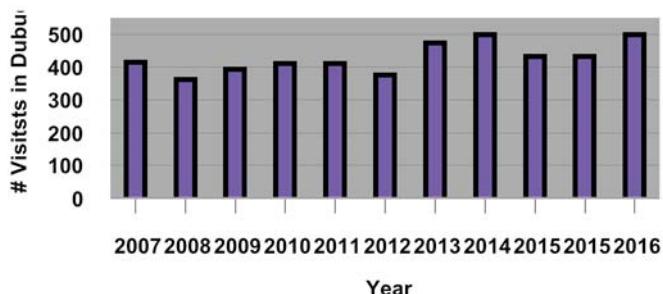

Crescent Community Health Center secured lease with Metx, LLC to move clinic into new space at 1690 Elm Street, allowing for clinic expansion.

- 6,437 patients served in 2017
- 1,699 were children
- 50% have incomes at or below 100% of the federal poverty level
- 19% had no insurance
- Dental Visits: 10,780 (up from 9,723 in FY15)
- Medical Visits: 7,984

Outcome #3: Reduce the incidence of environmental health hazards in residential living environments

Hospital Emergency Department Asthma Visits

Did You Know?

The Public Health Specialist and Healthy Homes staff are providing local health and social agencies and providers with Healthy Homes program information and education.

- Partner with the Bee Branch Healthy Homes Program for implementation of the HUD Natural Disaster Resiliency grant, incorporating Lead and Healthy Homes Programs.

PUBLIC HEALTH

Outcome #4: Mobilize community partnerships to identify and investigate public health problems and emerging issues

- Bi-hospital infection control committee member
- Dubuque County Wellness Coalition, Co-Chair
- Air Quality Task Force
- GHHI Resource Group
- University of Iowa College of Public Health Board of Advisors, Chair
- Dubuque County Health Care Preparedness Coalition
- Dubuque Opioid Response Team

Health Services Department maintains agreements:

IDIA- Food Inspections

IDPH- Swimming pool, tanning, tattoo inspections

IDPH/Dubuque County Board of Health- Childhood Lead Poisoning Prevention Program, Annual

Dubuque Regional Humane Society- Annual

Dubuque VNA- Childhood Lead Poisoning and Healthy Homes Services

Crescent Community Health Center - Health Care Access

Did you know? The Dubuque County Health Preparedness Coalition meets regularly to assess and plan for public health emergencies. Recent accomplishments include: completion of IDPH Preparedness capabilities, review and update of the Preparedness Plan.

Environmental Health

Overview

Environmental Health promotes a safe and healthy environment by assuring sanitary conditions and practices in accordance with municipal public health and environmental ordinances, codes and regulations.

The Environmental Health Activity:

- Responds to resident garbage, and nuisance complaints
- Inspects public swimming pools and spas
- Provides information on indoor air quality and other environmental issues
- Inspects tanning and tattoo facilities
- Assures food safety through inspection and licensing of food and food service establishments, temporary food stands and mobile food units.

PUBLIC HEALTH

Food Inspection/Environmental Health Funding Summary			
	FY 2018 Actual	FY 2019 Budget	FY 2020 Requested
Expenditures	\$216,213	\$220,732	\$224,391
Resources	\$122,682	\$116,070	\$158,116

Food Inspection/Environmental Health Position Summary	
	FY 2020
Environmental Sanitarian	2.00
Total Full-Time Equivalent Employees	2.00

Highlights of the Past Year

- FDA modified the National Voluntary Retail Food Protection Standards. All Standards were reviewed, updated, and completed.
- Renewed contract with Iowa Department of Inspections and Appeals (DIA).
- Nuisance and weed ordinance enforcement policies and procedures revised.
- Fully digital on food and swimming pool inspections.

Future Initiatives

- Re-evaluate FDA Standard 6 to meet compliance.
- Meet requirements of FDA Standard 9, a new addition to contract with DIA.
- Go fully digital on tattoo and tanning inspections
- Implementation of new nuisance enforcement policy.
- Continue data collection of bedbug incidence and conduct enforcement for hotels along with targeted education and enforcement.

PUBLIC HEALTH

Performance Measures

Environmental Health - Activity Statement

Promote a safe and healthy environment by assuring sanitary conditions and practices in accordance with municipal public health and environmental ordinances, codes and regulations.

Goal: Environmental Integrity

Outcome #1: Assure safe and sanitary non-residential swimming pools and spas, tattoo and tanning facilities by providing a minimum of one inspection per year within Dubuque Country under a contractual agreement with the Dubuque County Board of Health and the Iowa Department of Public Health (IDPH).

- Enforce environmental health rules and regulations.
All facilities inspected a minimum of once per year per IDPH contract:
 - Pools/Spas: 45
 - Tanning facilities: 12
 - Tattoo parlors: 23
 - Tanning operator certification exams administered: 2
 - Pool/Spas closed for “Unsanitary Conditions”: 1
 - 100% of tanning operators maintaining/meeting training requirements

Did You Know?

Public swimming pools and spas are inspected for both water quality and safety measures annually.

Outcome #2: All school lunch programs, licensed food service establishments, mobile unit/pushcarts, temporary food service establishment, retail food establishments, Hotels, motels and bed & breakfast inns are inspected and licensed through a contract with Iowa Department of Inspections & Appeals.

Ongoing, regular and follow-up inspections of food establishments protect the public from food borne illness and outbreaks.

- Food Inspections Conducted: 703
- Outstanding past due inspections: 141
- Complaint Inspections: 37
- Temporary food stand licenses issued: 172
- New establishment/change of ownership licenses issued: 36

PUBLIC HEALTH

A total of 403 food establishments are inspected on a risk-based system. Of these, 257 are inspected annually.

- Number of active Certified Food Protection Managers: 317
- Hotel Complaints: 16

Working with the Building Services Department, the Environmental Sanitarian requires all food facilities to meet Food Code requirements prior to issuance of alcohol and food licenses.

Did You Know?

In order to obtain a new food establishment or food service establishment license, a plan review packet must be submitted and approved.

- Facility must pass inspection
- Policies and procedures along with trained staff must be in place

Outcome #3: Alleviate overgrown weeds, improper garbage/refuse storage and disposal and other public nuisances through code enforcement

- Nuisance & Grass/Weed citations issued: 5
- Nuisance & Grass/Weed violations corrected by hired contractor: 40
- Nuisance & Grass/Weed complaints: 321

Outcome #4: Provide information, education, and assistance on environmental health risks and Healthy Homes principles.

The Health Services Department provides current information on new and recurring environmental health issues such as radon, bed bugs, mold, rodents, vermin, etc.

Did you know?

Environmental health staff maintains the most current information available on the Health Services Department website. Bedbug information is the most frequent request for environmental health topics.

PUBLIC HEALTH

Animal Control

Overview

Animal Control enforces the City Animal Ordinance which provides for licensing of all cats and dogs, the prohibition of dogs and cats running at-large within the city, inoculation of all dogs and cats against rabies, investigation of animal bites and assurance of proper rabies confinement, prohibition of harboring a vicious or potentially vicious animal or dangerous animal and prohibition of animals causing serious disturbance or nuisance.

Animal Control Funding Summary			
	FY 2018 Actual	FY 2019 Budget	FY 2020 Requested
Expenditures	\$287,513	\$317,411	\$352,388
Resources	\$190,832	\$194,879	\$197,332

Animal Control Position Summary	
	FY 2020
Animal Control Officer	0.72
ANIMAL CONTROL OFFICER	1.00
Total Full-Time Equivalent Employees	0.72

Highlights of the Past Year

- Animal Control Officers were trained in chemical immobilization
- Added PetData and Animal Control phone number to pet license tags in 2018
- Updated Animal Control brochure

Future Initiatives

- Continue Animal Control Officer education and training
- Police Officers involved in animal abuse and neglect training
- Utilize body cameras
- Evaluate wild cat trapping procedure and policy

PUBLIC HEALTH

Performance Measures

Animal Control - Activity Statement

Protect the public health by abating and investigating animal nuisances, preventing the spread of rabies and providing information regarding animals to citizens.

Outcome #1: To respond to and abate the problems and nuisances of dogs and cats within the city limits by impounding stray dogs and cats, investigating complaints regarding barking dogs and animals roaming at large and other animal nuisances, and live-trapping dogs and cats.

Enforcement of the Animal Control Ordinance promotes responsible pet ownership and provides city residents with guidance for living with and among pets.

- Animal Control officers responded to 942 complaints
- Police Department responded to 539 complaints during times Animal Control Officers are not on duty
- 44 citations were issued for violations of the Animal Control ordinance.

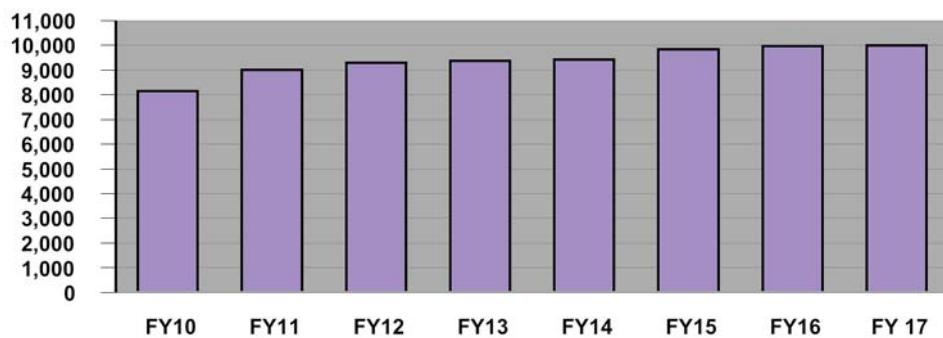

Outcome #2: To control the spread of rabies among animals and between animals and humans

By assuring accurate and rapid investigation of animal bite incidents, assuring the rabies observation of animal bite incidents, assuring the rabies observation of biting dogs and cats by a licensed veterinarian, apprehending and ordering the laboratory diagnosis of biting, wild and non-domesticated animals for rabies, enforcing the rabies immunization and licensing of all dogs and cats within the city.

- 10,309 Pet Licenses Sold
- 1,446 Citations for Failure to License Pet

City of Dubuque Pet Licences

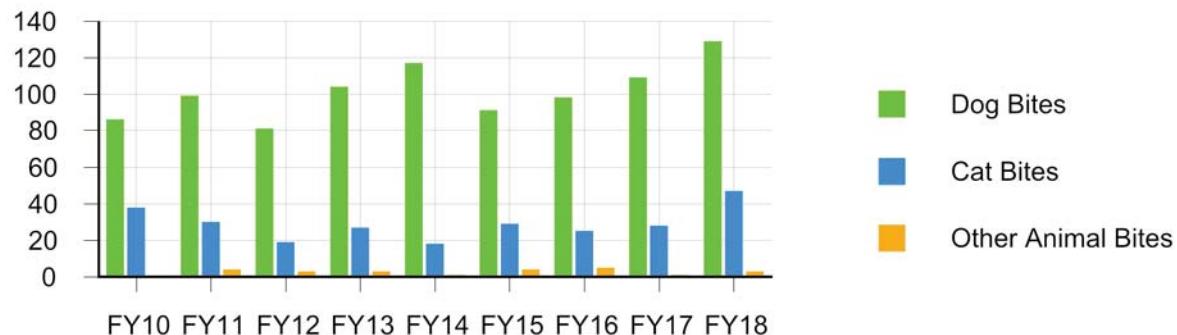

PUBLIC HEALTH

Outcome #3: Assess and evaluate animal bites, injuries and attacks for determining potentially vicious and vicious animal declarations.

The City Animal Control Ordinance addresses several aspects of responsible pet ownership such as rabies vaccination, license, leash laws, running at large, vicious and nuisance issues.

Animal Bites

- 179 animal bites in FY18, a 64% increase from FY17
- 3 Vicious/Potentially Vicious Declarations

Did You Know?

- Per the Iowa Department of Public Health, there were 10 cases of animal rabies reported in Iowa in 2017-most commonly found in bats, skunks and cats.
- In the United States, over 36% of households own at least one dog.
- Among adults, men are more likely than women to be bitten by a dog.

Outcome #4: To respond to the problems and nuisances of wild animals within the city by: providing citizens with possible abatement methods and consultants and suggesting ways to discourage animals from habitation; and attempting to capture of wild animals suspecting potential rabies exposure.

Wild animal trappers must be certified by the IDNR. A list of certified trappers is maintained by the Health Services Department. Currently 4 certified animal trappers do business in the city of Dubuque.

Did you know?

In the state of Iowa, rabies was diagnosed in 2 cats in 2017.
