2024 CONFERENCE PARTNERSHIP

We are excited to announce that the Growing Sustainable Communities Conference will be held April 23 – 24, 2024 (yes that means no conference in 2023). The event will continue to take place along the mighty Mississippi at the Grand River Center, in beautiful Dubuque, IA. This premier conference provides attendees with comprehensive, impactful and actionable sustainability ideas, plans and best practices for local governments and business professionals alike. Don’t miss out on an opportunity to secure a sponsorship for your business to reach community leaders from throughout the country!
