**SUBJECT:** Lower Bee Branch Security Network Project  
CIP #3401654, Project #4X0007

**DATE:** December 26, 2019

Sealed bids were received for the Lower Bee Branch Security Network Project. City engineer Gus Psihoyos recommends award of the contract to the low bidder, Utility Service Contractors, in the amount of \$259,414, which is 14.46% under the estimate of probable cost.

I concur with the recommendation and respectfully request Mayor and City Council approval.
