

Accessing my PC using GoToMyPC

Login

1. Go to www.GoToMyPC.com.
2. Click **Log In** in the top right corner.
3. Log in using your GoToMyPC email address and account password.
4. If prompted, choose the account you want to access and click **Go**. This only applies if you have multiple GoToMyPC accounts associated with one email address.
5. Locate the desired computer and click **Connect**.
6. Depending on your browser, click **Run**, **Always**, **Allow**, or **Trust** to download the GoToMyPC Viewer.
7. When prompted, enter your access code for that host computer and click **OK**.
8. The Viewer window will launch, which means you're officially connected!
9. Log in to the network with your network login and password
